Three Aboard Missing Craft

U.S. Reports Plane Lost In E. Germany

WIESBADEN, Germany (AP)—The U.S. Air Force awaited word from the Communists today about an American jet trainer missing in East Germany with three officers aboard. An unconfirmed report said the plane was shot down. Eighteen hours after the plane disappeared, the official East German news agency ADN had not mentioned the incident. An Air Force spokesman refused to say whether information had been requested from the Russians, with whom the Western Allies deal on all matters concerning East Germany. The T39 trainer, with a lieutenant colonel and two captains aboard, was tracked by Air Force radars for 11 minutes Tuesday heading into East Germany at about 450-500 miles an hour. Shortly after the plane disappeared from the screens, the radar operators saw "two other blips." It could not be determined whether these were Communist fighters or anti-aircraft shells. The Air Force refused to confirm the report that the plane had been shot down. An Air Force spokesman said the plane was not authorized to cross the Iron Curtain and could not be reached by radio. He said the Air Force didn't consider there was "the slightest possibility" that the three officers were defecting. The Air Force said the officers aboard the plane were Lt. Col. Gerald K. Hannaford, 41; Capt. John F. Lorraine Jr., 34, and Capt. Donald G. Millard, 33. Hannaford has been in the Air Force for 24 years and flew 63 missions in the China-Burma-India theater in World War II and 50 missions during the Korean War. He had planned to retire next year. Lorraine flew about 80 missions in Korea and was assigned to Germany about 18 months ago. He joined the Air Force in 1948. Millard had been in the Air Force since 1951.

U.S. Orbits Mightiest Rocket on First Test

The Blaster and the Payoff

THIS IS THE PUNCH WHICH got the rocket away from the clutch of gravity. In the test of the Saturn-5's abilities at Cape Kennedy, this booster, the first stage of the rocket, contained power to get the heaviest object ever orbited on its way.

All Phases Of Saturn Flight Normal

CAPE KENNEDY, Fla. (AP)—The Saturn 1 superrocket blasted off today on its first two-stage test flight — an attempt to hurl the world's heaviest satellite into orbit and possibly give the United States the lead in the race for space rocket power. The giant vehicle blazed into the sky at 11:25 a.m. EST on the tremendous force of the world's greatest-known rocket power plant. The cluster of eight first-stage engine was to build up total thrust of 1.5 million pounds in 147 seconds of flight. Live coverage by national television networks gave millions a ringside seat at the historic launching, the most critical yet in the Saturn 1 series. The rocket spewed a torrent of flame from its base and sent a thunderous roar rolling across Cape Kennedy as its engines flashed to life, feeding on 475 tons of fuel. The enormous rocket rose slowly at first but picked up speed quickly. About 10 seconds after liftoff, Saturn 1 began a gradual pitch to a southeast heading, spurring a tail of flame more than 300 feet long as it streaked into the sky. It vanished from sight in a low cloud bank about 40 seconds after launching. The National Aeronautics and Space Administration reported 150 seconds after launching that the first stage had shut down as planned and the second stage had ignited. An announcement said all phases of the flight appeared normal up to that point, and that the second stage was continuing to burn. The shot was delayed more than an hour by radio interference which affected a tracking radar and the radio frequency on which the range safety officer would send a signal to destroy the rocket in case it strayed off course. The radar trouble was traced to a ship offshore. The ship turned off its signal when it was advised, and the other interference was cleared up soon afterward. When the trouble arose the countdown had reached 13 minutes, but one system aboard the rocket had to be turned off during the wait, so the count was set back to 25 minutes when it was resumed. The massive vehicle was intended to propel into orbit a 37,700-pound satellite, nearly three times as heavy as any previous man-made satellite. The 164-foot-tall, 562-ton rocket is 13 feet taller and more than twice as heavy as the Statue of Liberty. It is the first of the Saturn 1 series with a live second stage, a cluster of six engines which burn high-energy liquid hydrogen fuel. Four earlier flights of the first stage were successful. Dr. Hugh Dryden, deputy

chief of the space agency, said in early January that the United States was drawing close to the Soviet Union in rocket power and added that "as soon as the Saturn satellite has been placed in orbit we will have relieved this deficiency in weight-carrying ability we've labored under so long."

As the Saturn 1 rumbled upward, a crew on another Cape Kennedy launching pad readied

Mao Outfoxed

Chiang Elated at Paris-Peking Dispute

TAIPEI, Formosa (AP)—As France and Communist China struggled with the touchy two-Chinas issue, Nationalist China waited quietly on the sidelines today. The feeling in Taipei was that President Chiang Kai-shek had outfoxed Mao Tse-tung. Chiang's officials were elated at the dispute between Paris and Peking only a day after French President Charles de Gaulle's recognition of Communist China. Red China's Foreign Ministry called on France Tuesday to break off relations with the Nationalists. A French spokesman replied Paris would continue to recognize the Taipei government. The French spokesman also denied the Paris-Peking agreement to exchange ambassadors.

included a French pledge to sever diplomatic ties with the Nationalists. Nationalist officials saw the dispute as evidence of a miscalculation by Mao. Red China's Communist party chief. They said Mao apparently expected Chiang to cut off relations with France in angry reaction to De Gaulle's recognition of Peking Monday. Had the Nationalists broken with France, they would have solved Mao's problem. The Red leader, like Chiang, opposes the idea of two Chinas. Each regards his regime as the sole voice and legal representative of the Chinese people. The Red Chinese failed to make clear what they would do if France continued its relations with Taipei. In Paris, a French spokesman said his government is seeking clarification of Peking's position. Nationalist officials say the next move is up to Paris. They think Peking probably will not send an ambassador to Paris until France breaks relations with Taipei. The Paris-Peking agreement calls for the exchange of ambassadors within three months. Although the Chinese Nationalist embassy in Paris has been instructed to carry on as usual, the government ordered the withdrawal of funds from French banks to prevent the money being turned over to the Communists later. The South Viet Nam government issued a white paper rebuking France and banning the import of French goods. It also hinted South Viet Nam may break relations with France. France is South Viet Nam's second largest supplier after the United States. French business with Saigon runs to about \$35 million annually. The Saigon military government has vigorously opposed De Gaulle's proposal to end the guerrilla war through reunification and neutralization of Viet Nam.

GOP Raise Perjury Cry

Pressure Mounts In Baker Probe

WASHINGTON (AP)—The Senate investigation of Robert G. Baker—sweeping up a tangle of names, dates and deals—came under growing Republican pressure today to dig deeper and resolve a dispute involving presidential aide Walter Jenkins. The possibility Jenkins, a long time assistant to President Johnson, may be asked to testify arose as Republicans, branding a campaign issue, raised a cry of "possible perjury."

21 GOP Rallies Set for Tonight

Eisenhower Heads Speakers' Lists

WASHINGTON (AP)—Republican chieftains fan out across the country tonight for 21 rallies aimed at fattening the party's war chest and whipping up campaign enthusiasm. Former President Dwight D. Eisenhower and several GOP presidential hopefuls head the speakers' lists for "go-day rally" dinners. They'll address an expected 25,000 party faithful in a one-hour, closed-circuit television program. From New York to Los Angeles, Republicans hope to wipe out the \$225,000 deficit that still remains from the 1960 presidential campaign. Eisenhower will speak from Detroit, while New York Gov. Nelson A. Rockefeller and Arizona Sen. Barry Goldwater — both declared presidential aspirants — are scheduled to talk

Super Market Just East of City Planned

A \$500,000 self-serve food and department store is expected to be open sometime in July at the site of the present Salem Drive-In Theater on Alternate Rt. 14 just east of the city. Dr. Wayne S. Wolf, president of Super Centers, Inc. of Alliance made the announcement today, adding that the store is expected to employ 100 to 150 persons, with the bulk of employees to be drawn from the Salem area. Wolf said plans are near completion for the center, which will have a floor space of approximately 43,000 square feet and be the biggest in the firm's chain of stores. Super Centers also has facilities in Alliance, Massillon and Warren and has just purchased a food division of the Value Center, Inc. in Wooster. While the local center will be at the site of the Salem Drive-In Theater, the firm's other centers are located in various parts of the state. Turn to MARKET, Page 10

Two Motorists Fined For Reckless Driving

Two Lisbon area men have no doubts now that it is more expensive to race on city streets than at legitimate "drag" strips. Russell Welling, 26, and his brother-in-law, Duane Baker, 26, both of RD 4, Lisbon, were fined \$50 and costs by Mayor Dean Cranmer yesterday on charges of reckless operation. The men were stopped by Patrolman Norman Flick at 3:45 p.m. Saturday while racing on W. State St. Tickets for the Dr. Walter Judd dinner Tues. Feb. 11th can be secured by calling E.U. Mills Working Faster, Steadier

Steel Recovery Gathering Speed

NEW YORK (AP)—A recovery in the steel industry that began last year is gathering momentum. It promises to impart important strength to the nation's humming economy. Improved profit reports on 1963 are flowing in from all major producers. Some reflect dramatic gains. The mills, working steadily faster, are turning out steel at a near-record rate of 115 million tons a year. Modernized plants with new tools and technology are increasing efficiency, helping to lower costs and boost earnings. Last year's modest price increases are augmenting profits and providing funds for further modernization. Also contributing to funds for improved facilities are federal depreciation rules, which were liberalized in 1962. Some leading steel companies spurred higher on the stock market again Tuesday after Youngstown Sheet & Tube Co. proposed a 3-for-1 stock split and just before U.S. Steel Corp. reported sharply higher earnings. U.S. Steel, posting the best results since 1960, reported earnings of \$202.9 million or \$3.28 a share, up from \$163.7 million or \$2.56 a share from 1962. Still, "Big Steel" profits

Effort To End Racial Strife

Meeting Called by Mayor of Atlanta

ATLANTA (AP)—Leaders of Atlanta grope today for an answer to new racial questions arising after four consecutive days of demonstrations. The demonstrations by young Negroes and white persons were directed mainly against one restaurant which has refused to go along with many others in desegregating. However, a leader of the demonstrations said protests will continue until all restaurants in Atlanta are open to Negroes. "There are many instances of segregation in the city and for many long years people have tried to negotiate a settlement without success," said James Forman, executive secretary of the Student Nonviolent Coordinating Committee. Mayor Ivan Allen Jr. called together about 250 city leaders for a conference today. "I feel that this meeting is necessary to maintain the rational attitude that has marked

Deadline for Primary Filings Week Away

A week from today — Feb. 5 at 4 p.m. — the County Election Board will ring down the curtain on filings for the party primaries May 5. Only 15 aspirants for county office had filed with the board by this morning. There were no new entries overnight. Several more are expected to file before the deadline. The new filings will include several who have announced candidacies and are circulating petitions, but have not entered officially.

Greek Cypriots Ask U.N. Force

Unit Would Keep Peace on Island

LONDON (PA)—Greek Cypriots indicated today that they want a United Nations force to keep peace on the Mediterranean island and not the NATO contingent Britain has been trying to muster. Zenon Rossides, Cyprus' delegate to the United Nations, told Secretary-General U Thant in New York Tuesday a U.N. peace-keeping force would be acceptable on his territory. American and British diplomats strove to keep the lid on tempers in Athens, Ankara and Nicosia as signs mounted that U.S. troops might soon be assigned to help keep Turkish and Greek Cypriots from each other's throats. The London Daily Sketch reported that U.S. 6th Fleet ships with combat Marines aboard had been ordered to "within striking distance of Cyprus as fears of a Turkish invasion swept the island."

A U.S. Defense Department spokesman said Washington knew of no unusual moves by the fleet. Britain, whose military reserve has been drained by trouble in Cyprus, East Africa and Malaysia, has suggested that the United States provide some help. Similar appeals have been made to West Germany, France, Italy and Canada, all members of the North Atlantic

Racial Groups Picket Schools

Cleveland Parents Hit Mixed Classes

CLEVELAND (AP)—More picketing was on tap today in Cleveland's school integration fust, which has both Negro and white parents up in arms in some East Side areas. Pickets representing the United Freedom Movement, a civil rights group, and the Hazeldell Parents Association were to picket today at two schools — William E. Brett Elementary School on Royal Road and Memorial School on East 152nd Street. Brett was the scene Tuesday of a sit-in by white parents which at times threatened to become unruly. Object of the protests of both racial groups is the Cleveland School Board's plan for mixing classes from overcrowded Hazeldell School, which is in a predominantly Negro area, with classes in predominantly white schools. The board has been transporting Negro pupils to three predominantly white schools by bus but has kept the Hazeldell pupils segregated. In response to the UFM demands, a "diffusion" plan was put in effect this week at the start of the new semester. School officials said about 46 per cent of the bussed classes were being mixed or diffused in the receiving schools. UFM leaders say the plan amounts to mixing the children only 4 per cent of the time. The

Appeal Is Made For Blood Donors

The North Columbiana County Chapter of the American Red Cross has dropped below the 125-pint quota in its blood program, Chairman Louis J. Raymond warned today. Raymond said that this is the first time in 18 months that the chapter is below its quota, and pointed out that the main cause is due to a poor turnout in Salem in December. The Bloodmobile will be in Salem Monday at the First Methodist Church, with appointments still available from noon until 6 p.m. Only 17 donors have been signed up for this visit but 200 are needed. Raymond stressed that the blood program provides free blood in Salem hospitals and cares for the blood needs of area residents. The North Columbiana Chapter has dropped from sixth to 13th position out of the 26 chapters in the region and citizens are urged to call in their appointments to the Salem Red Cross Office.

U.S. Not Likely to Pull Out

Canal Zone Real Problem

PANAMA (AP)—To a school child in the United States, Balboa is the man who discovered the Pacific Ocean. In Panama, Balboa means a U.S. naval station and town, the hub of the present crisis between the United States and Panama.

In the wake of bloody rioting,

Panama President Roberto Chiari's official stance is that the United States must agree to negotiate a new Canal Zone treaty before Panama will restore diplomatic relations with Washington. Panama wants the new treaty to provide for an eventual takeover by Panama of the

50-mile-long, 10-mile-wide zone and its canal.

No matter how unpopular they are with Panamanians, Balboa and the Canal Zone and the U.S. role there are vitally important to the immediate existence of Panama itself.

Every year \$85 million flows into the Panamanian economy from the zone and its residents. There are many smaller — but real — benefits to the Panamanian.

What would happen if the present concept of the Canal Zone disappeared?

Banker Ruben D. Carles says: "There are great opportunities — and graver problems — in returning the canal to us. One would be finding the sources to replace the \$70 million to \$180 million income from the zone and their accompanying effect on employment, commerce, industry and balance of payments."

He advocates a wide range of U.S. compensations for rights over the canal, and he wants Panama to have use of Canal Zone port facilities. Panama City, the capital, has none.

He says the \$1.9 million annuity the United States now pays Panama for the canal is a pittance.

Some Panamanians fear the United States will only pull out of Panama after it has developed a new canal elsewhere across the Central American isthmus, leaving Panama in effect with a big, empty ditch.

But many, including Panamanian nationalists, believe the day is over when the United States could go into just any country and build canals.

CORONER TO RETIRE
SPRINGFIELD, Ohio (AP) — Austin A. Richards, Clark County coroner since 1932, has decided to give up the job. Richards said Tuesday he will not seek re-election this year and will devote full time to a funeral parlor he operates here.

Ohio law now requires all new coroners to be physicians. Richards is one of only three in Ohio who are not physicians.

Boosters At Beaver Agree On Fund Split

The Beaver Local Boosters Club agreed Tuesday night to a method of distributing \$165 to five school or health groups and heard a plea for help in purchasing sports supplies.

Vice-president James McLaughlin, who presided in the absence of president George Dunn, appointed a nominating committee to draw up a slate of officers for action at the March meeting. Named were Gail Williams, chairman, Steve Barborak, Leo Jenkins, Allen Copestick Jr. and Robert Osborn. They will meet Feb. 10 to prepare the slate.

Here is how the \$165 will be distributed: \$100 for the Dollars-for-Scholars (scholarship fund); \$25 to the Junior-Senior post-prom committee; \$25 to Rogers school principal, Mrs. Louise Hampson, for the purchase of indoor play equipment destroyed in the early January school fire; \$5 each to the March of Dimes, Muscular Dystrophy Association and Columbiana County Heart Council.

Ed Stevens, athletic director and football coach, discussed the sports supply situation for next Spring and Fall and asked the Booster Club for financial help to buy necessary materials. Action on his request was tabled until next meeting for further study of the sports financial picture.

Plans for the County Republican dinner Feb. 11 at Beaver Local High School were made. The Boosters' executive members will serve as general chairmen. Other committee heads are Dunn and McLaughlin, cleanup; Theodore Taylor, dining room women's committee; Roy Cashdollar, tables and dishes; George Van Horne, police, serving lines and arrangements to use IBOP tables; Franklin Sturgeon and Oren Wagner, dining room service (with possibility of Y-Teens and home economics girls helping); Mrs. Copestick, supplies; Lee Meyers, high school cleanup committee; Mrs. Lucille Passage, decorations. Mrs. Alberta Watson will direct the cooks.

Stevens announced that plans are in motion for the spring

Mrs. George Gaydos was appointed to work with Mrs. Charles Smith of the Tri-State Boots and Saddle Club on the possibility of staging another horse show in June.

Chairmen were named to investigate sites for additional outdoor basketball practice courts for school children. Assigned were McLaughlin, Elkton; Mrs. Leo Jenkins, Rogers; Robert Pancake, Clarkson and Pancake Corners; Stevens, Calcutta; Barborak, West Point; Leslie Jones, Bibbee's Lake.

Thirty-three Boosters and two guests, Arnold Kovach and Don Beeler, president and secretary of the Salem Boosters Club, attended.

U.S. Rejects Soviet Plane Proposal

GENEVA (AP)—U.S. officials have rejected a Soviet call for destruction of all the world's bomber fleets. But they were hopeful it signified a Russian interest in an American suggestion to keep obsolete bombers from smaller nations.

The bomber proposal was put forth at the Geneva disarmament conference Tuesday by Soviet delegate Semyon K. Tsarapkin. Chief U.S. disarmament negotiator William C. Foster said he would like to discuss it in detail.

The State Department in Washington said any move to destroy the bombers of all nations was neither acceptable nor practical.

But it expressed hope Tsarapkin's proposal meant the Russians would look with favor on an informal suggestion Secretary of State Dean Rusk made to Soviet officials in Moscow last summer. Rusk suggested that big powers destroy nuclear bombers as they became obsolete lest they fall into the hands of non-nuclear nations.

Rusk suggested destruction on a one-for-one basis of U.S. B47s and Soviet Badger bombers. His suggestion would not apply to such supersonic bombers as the U.S. B58 and the Soviet Bander.

FIVE DAY FORECAST

NORTHERN OHIO — Temperatures will average five to ten degrees above normal. Normal high 35-36, normal low 18-22. A slow warming trend rest of week, turning colder first of next week. Precipitation will average two-tenths to four-tenths of an inch melted as snow flurries Thursday or Friday, again over weekend.

SOUTHERN & CENTRAL OHIO — Temperatures will average four to eight degrees above normal. Normal high 35-46, normal low 21-27. Mild throughout period except for brief cooling over weekend. Precipitation will average about one-fourth inch as a chance of light snow late tonight or Thursday, again over weekend.

Ruby Undergoes Physical Tests

DALLAS (AP) — Jack Ruby was whisked secretly Tuesday to a clinic where he underwent a neurological examination with three court-appointed psychiatrists as observers.

The results of the tests and the reports of the three psychiatrists are not expected to be made public until the balding 52-year-old nightclub operator goes on trial for the nationally televised killing of Lee Harvey Oswald, accused assassin of President Kennedy.

Ruby's trial is set for Feb. 17. Dist. Judge Joe B. Brown ordered the neurological tests a week ago.

Dist. Atty. Henry Wade told newsmen the examination included encephalographic tests, a blood serology, X-rays of the skull, and a spinal tap.

Ruby's lawyers contend that Ruby was temporarily insane when he shot Oswald to death Nov. 24.

FUNERAL SERVICES SET

MANSFIELD, Ohio (AP) — Funeral services were being arranged today for Richland County Sheriff John E. Steel, who died Tuesday night after his second heart attack in 12 hours.

The 59-year-old first-term sheriff was stricken Tuesday morning after arriving at his office. He suffered the fatal attack Tuesday night at Mansfield General Hospital.

Apply Space Age Energy to Church Work, Clergy Told

COLUMBUS, Ohio (AP) — A prominent church leader has called for the application of space age energy to problems faced by the nation's churches.

Dr. Jon L. Regier of New York, executive secretary of the National Council of Churches' Division of Homes and Missions, spoke Tuesday night at the 45th annual Ohio Pastors Convocation.

"If we would really dream big," he said, "we could solve many of our problems by de-

voting to them the same type of energy that is being devoted to the moon shot."

Dr. Regier referred to the moon shot program as "a vast, legitimized WPA project to keep our economy going."

"Why can't we put that effort into some of our social problems?" he asked.

The clergymen were scheduled to hear today the first Roman Catholic speaker in the convocation's history.

The Rev. Frederick R. McManus of Catholic University of America, Washington, D. C., was to speak on "The Second Vatican Council and Christian Unity."

Dr. Regier spoke Tuesday night at the 40th annual dinner of the Town and Country Department of the Ohio Council of Churches, held in connection with the convocation. Earlier, he spoke to the entire convocation. Other speakers included Maj. Gen. Robert P. Taylor, chief of Air Force chaplains.

Gen. Taylor's address, "The Fulfillment of Our Ministry," dealt with challenges facing people today.

He said people are challenged not only by those things which threaten their way of life but also by those things which enrich it.

Among the threatening factors, he said, are racial conflicts, poverty, communism, materialism and complacency. But he stressed the challenges to keep and improve personal freedom, religious freedom, economic and political and intellectual freedoms, the home, business, church, the law, and love and loyalty to country.

"Last of all," the chaplain said, "we are challenged by the things that sustain our way of life. Our religious heritage has been passed along to us; our spiritual resources must be developed within us."

40 Attend GOP Meeting In Lisbon

LISBON — Forty persons attended the County Republican Advisory Council luncheon Monday noon at the Wick Hotel. Atty. Charles Pike, county Republican chairman, conducted the business meeting.

Pike announced that ticket sales for the Lincoln Day dinner Feb. 11 are progressing rapidly and urged all those wishing to attend to get their reservations promptly. He also asked all Republican precinct committeemen to file their petitions with the Board of Elections by Feb. 5 at 4 p.m.

Candidates filing for Republican primary nominations and current GOP office holders seeking renomination were introduced.

Edward Heim of Lisbon, president of the Columbiana County Republican Club, appointed a nominating committee to choose a slate of officers for this year. He will announce an election meeting of the club in the near future.

The next meeting of the advisory council will be Feb. 10 at noon at the Wick Hotel, Pike said.

Summitville Driver Fined by County Judge

LISBON — Mike A. Kosko 46, Summitville, was fined \$15 and costs Tuesday by County Judge James L. MacDonald for driving left of center.

He also surrendered his driver's license until he secures a doctors certificate on his physical condition.

He told the court he blacked out before he went left of center and was involved in the accident.

In other citations Ronald E. Williamson, 21, of Irontide RD 1 was given a suspended \$5 fine for speeding.

Edward Schira, 43, Stow, forfeited a \$15 bond for speeding, and Roger A. Hawkins, 22, Minerva, a \$20 bond for failing to display safety equipment on a commercial vehicle. All were cited by the State Highway Patrol.

Grange News

Smith Has Program

"Story of Paper" was the program theme of the meeting of Smith Grange recently. Taking part in the program were Haze Mizer Olive Sump, Rachel Oesch, Mildred Gednetz, Helen Hammond, Helen Watkin and Mary Stahl. Mrs. Verla Turner won the contest.

Mrs. Glenn Turner reported on the progress of an attendance contest. Mrs. Bill Iddings, home economics chairman of 1963, received a red ribbon for community service. Thank - you notes were read from the Fairmount Children's Home for Christmas gifts.

A dues paying supper will be held at the next meeting at 7 p.m. Monday.

Plans were discussed for a swimming party during the juvenile meeting. James Clay, lecturer, was in charge of the program. Inventions of Benjamin Franklin were discussed.

Butler Convenes

Mr. and Mrs. Floyd Stamp of Willow Grove Grange reported

on the state grange sessions when Butler Grange met recently.

It was announced that Columbiana County Pomona Grange will meet Feb. 15 at Willow Grove for a daytime session.

Communication was read from the county deputy of the coming degree team work at West Point for the first and second degree Feb. 14 and at Mile Branch for the third and fourth degree March 22.

Three candidates will be given the first and second degrees at the next Butler Grange meeting Feb. 5.

The home economics committee requests that anyone having used greeting cards or eye glasses donate them for a charity project.

Jim Voytek, master, presided when the juvenile grange met at the same time. The lecture hour was spent in making bird feeders with pine cones filled with suet and seeds.

Mrs. Anyd Voytek, matron, is planning a Valentine party Feb. 5.

Mrs. Lowell Whinery, Mrs. Si Hardgrove, and Mrs. George Walton, the social committee, served lunch.

West Point Talent Show

West Point Grange will put on the first degree work for the regular meeting of the grange Feb. 14, and the second degree will be put on by the Calcutta Grange, it was announced at the meeting of the West Point Grange Friday evening.

A talent show under the direction of Mrs. Francis Brickner, juvenile grange matron, was the evening's program.

Young members taking part were Tom Smith, Betty Flory, Mike Poznel, Cheryl Jackson, Kathi Rupp, Bill and Harry Taylor, Joyce Jackson, Kathy Smith, Sue Horner, Linda Bergman, Shirley Flory, and Fred Brickner.

Each family is asked to bring sandwiches to the next meeting.

Common Pleas Court

New Entries

Laura Mae Cusick vs Lee Hasting Cusick, et al; temporary injunction allowed restraining defendant Cusick from selling or disposing of property and restraining defendant M & J Coal Co. from paying defendant Cusick the royalties due under the lease, until further order of the court.

Anna Virginia Roshon vs Robert Dale Roshon; divorce granted to plaintiff, gross neglect, custody of two minor children awarded to plaintiff; defendant ordered to pay \$60 every two weeks toward support; property settlement made.

Wilda May Allison vs George Samuel Allison; upon plaintiff giving \$25 bond, temporary restraining order granted as prayed for for protection of plaintiff's safety.

Program Planned On Laundry Products

A program on various laundry products will be presented at a meeting Feb. 12 from 1 to 3 p.m. at St. George's parish hall in Lisbon, according to Mrs. Dixie Saltsman, county assistant home economics agent.

The program will be presented by Miss Lois Deneke, home management specialist at Ohio State University. Members of Columbiana County home demonstration clubs and other interested persons are invited. Discussions will be held on soaps, detergents, bleaches, softeners and other products.

France Files For Court of Appeals

Judge James G. France of Kent yesterday filed nominating petitions to retain his seat on the Seventh District Court of Appeals. It was the first of a series of filings that will place each of the judges of that court on the ballot in the same election.

Judge France and Judge George M. Jones will both be running for the seats to which they earlier were appointed. Judge Paul W. Brown has announced his candidacy for the Supreme Court of Ohio.

Both Judges Brown and Jones are from the greater Youngstown area. France, a former Ravenna municipal and Portage County common pleas judge, is the only member of the District Appeals Court from outside the immediate Youngstown area. The district covers 13 counties in eastern Ohio.

While it is unprecedented for all three of the Seventh District judges to be running for election at the same time, members of

the Court have recently had more than the normal number of excursions to the ballot box.

Five new faces have appeared on the Court within the last six years. Judges Brown and Jones succeeded the late Elmer T. Phillips and John L. Donahue respectively, and Judge France replaced Lynn B. Griffith when the latter was appointed to the Ohio Supreme Court.

Driver Pleads Not Guilty In Road Deaths

LISBON — A Quaker City truck driver pleaded not guilty Tuesday before Common Pleas Judge Raymond S. Buzzard to a charge of second degree manslaughter arising out of a traffic accident.

Vernon Edgar Hatcher, 27, involved in the deaths of eight persons Oct. 2 on Route 7, near Williamsport, when his truck collided with two cars, was indicted secretly by the January grand jury.

Hatcher's \$1,000 bond was continued by Judge Buzzard at his arraignment Tuesday.

No Approval, Just Recognition

There now will ensue a period of probing into the realities of the two Chinas. This will be the first consequence of France's diplomatic recognition of the People's Republic of China.

This republic's capital is Peking. Its territory encompasses traditional China. It is not the republic whose capital is Nanking and whose provisional capital is Taipei on Taiwan. That is the Republic of China.

France already had diplomatic relations with the Republic of China.

As long as the People's Republic of China seemed to be a dependent of the Soviet Union, French President Charles de Gaulle saw no reason to have a diplomatic mission in Peking. The split between Peking and Moscow has changed that.

THE TRUTH is, the split changed the picture for every country that didn't have a diplomatic mission in Peking. The further truth is for the United States that it changed the picture for this country, too. Red China — the People's Republic of China — is not going to go away because the United States abhors what it stands for.

Too Many Strays

Stray dogs always have been a problem in Columbiana county communities but the County Humane Society's disclosure that their number totals 3,000 a year probably astounds animal lovers. This revelation is compounded by the fact that many of these unwanted dogs have suffered from neglect and others have been used for medical experiments at two cities in Pennsylvania where they were shipped.

The County Humane Society wants to put a stop to this mass sale of homeless dogs and has appealed to county commissioners to set up facilities for the proper shelter and humane disposal of these animals. An effort would be made to find owners for some of the best dogs, and those not adopted, naturally would have to be disposed of. If commissioners follow the suggestion of the Society they won't have to concern themselves about probable law violations, either.

Fun On Wheels

By Truman Twill

College kids in Detroit rated a picture when 28 got aboard a certain foreign car whose name starts with V. s the owner of one of these remarkable little things, I am prepared for the worst.

These little cars have been getting kicked in the bumpers ever since they first got attention in New England by climbing hills in winter when heavy cars of conventional design were spinning their wheels.

They are the first auto since Henry Ford's Model T to draw the ridicule that made the T so much fun on wheels. Owning one is like owning a two-headed calf. Everybody wants to talk about it.

For a few years, owners who felt defensive bought imitation windup keys that could be fastened to the back of the car, to make it look like a toy. Jokes about the cars though not as slapstick as Ford jokes used to be, are definitely on the flaky side.

THERE IS EVEN one canard that the cars will float in water, which is ridiculous. They will float all right, but it isn't true that you can use them for water transportation. They sink when their glove compartment get full.

What they are good for that on one mentions is tobogganing. When the snow gets deep, I go tobogganing in mine. But a word of caution. It is of the greatest importance to keep moving.

Otherwise, the car will bury itself, due to the fact its wheels are not retract-

The Republic of China on Taiwan is not going to reconquer mainland China and return to Nanking. There have been two Chinas since 1949. There will be two Chinas for many years to come.

The United States has guaranteed the existence of the Republic of China against threats by the People's Republic. And in cold fact the United States also has guaranteed the People's Republic against threats by the Republic. It will not let either of them fight the other.

This, too, is part of the realities of the two Chinas.

THE QUESTION always has been whether Chinese Nationalists would return to the mainland to rule China proper. That possibility has grown more remote with each passing year. France now believes it is too remote to be a factor in international relations.

It's diplomatic recognition Peking signifies neither approval nor disapproval of the People's Republic of China, a Communist dictatorship.

It signifies only that the People's Republic exists and its existence is independent of the Union of Soviet Socialist Republics, another Communist dictatorship.

We'll Never Know

Out of the volume of facts that came out of the Surgeon General's report on the effects of smoking, one statement has gone little noted. To wit:

"No conclusive information is available on the effects of smoking on traffic accidents."

At first glance, the statement seems to be inconsequential and not logical. But is it? The question gnaws at the imagination. Perhaps the question it evokes is more legitimate and logical than it first appears.

How many drivers have died reaching for a dropped cigarette? Or been injured trying to snuff out a hot ember that has fallen onto their clothes?

How many vehicles have left the highway when a driver reached for the cigarette lighter?

How many drivers have blinded themselves by striking a match at night?

The question is fraught with fearful specters.

able. They will seek ground when the car's forward motion stops. This will pack the snow beneath their hard little bellies and the tobogganeer will smother in a snow-drift.

Last time it happened to me, escape had to be made through the window, because both doors were held shut by the pressure of the snowbank into which the thing had burrowed.

IT IS NONSENSE for 28 people to be aboard one under any circumstances — even publicity. The 28th was cuddled around the engine. That meant the car couldn't be driven, because things are busy back there when the engine runs.

If college kids take this up as a fad, they won't know when to stop. They will go to extremes, and they did when it became a good trick to set the cars up on sidewalks and turn them crosswise in parking lots.

It once was a test of manhood to lift a front wheel of a Model T off the ground, but now the trick is to lift the entire car off the ground — one Tarzan on each corner.

We had a Model T on our family, and it was good for a thousand laughs.

Now its place has been taken by this up-to-date compact that people tell jokes about and play jokes on. It's funny, all right. We laugh all the way from one gas station to another, sometimes more than 300 miles.

"My plans are uncertain... I have offers to study guerrilla warfare in Havana, atomic physics in Moscow and modern art in Paris!"

"I Can Hardly Wait For Us to Get In And Get Behind In Our Payments"

Target of Kennedys

By VICTOR RIESEL

RIVERSIDE, CALIF.
A "young" ex-trial lawyer, college halfback and South Pacific war veteran who fought his way into Congress the hard way is the first target of the Kennedys in the post-John Kennedy era.

The congressman, a former assistant district attorney, who lives modestly over at Beechwood pl., is Patrick Minor Martin, freshman representative from the 38th District. He is beginning to feel that he is standing in the way of an express train of history or he may be jumping aboard himself—depending from which side you're viewing him. He's a Republican, of course.

Not too long ago John Varick Tunney, one of the old champs who beat Jack Dempsey twice in the era of crystal radio sets, decided to run against Mr. Martin. Twenty-nine-year-old Varick Tunney is a Democrat, of course, but in addition to that, his dad Gene was an intimate friend of John Kennedy. The young contender also was Sen. Edward (Ted) Kennedy's roommate at the University of Virginia Law School.

ginia Law School.

YOUNG TUNNEY and the 39-year-old Rep. Martin will be campaigning in Riverside and Imperial Counties, which are mostly known back east for their place in the sun. But there is a big working population here — farm labor in the big citrus groves and factory labor in the aircraft, machine and motor plants.

The Democratic party believed that the touch of a Kennedy would be a powerful assist and Ted Kennedy, who is also eager to raise funds for the John F. Kennedy Memorial Library, agreed to come. He has been here, and from now on this race really will be between the influence of a Kennedy without the late President in the background and a young, dynamic Republican campaigner.

If young Tunney is defeated this fall, it would hurt Ted Kennedy some. It would shred a bit of mystique of Kennedy invincibility. A victory would give the Massachusetts senator the national touch he needs. It would give him a running start for the plunge into the Bay State senatorial race.

HE MUST RUN for re-election to a full six-year term next November. A whopping big win then would amplify the political

whispers of today which have him as the next Kennedy to make a bid for the White House.

If Congressman Martin wins re-election, he will catapult into national prominence, having defeated the combined traditions of the Kennedys and the Tunneys. This fight will be a tough one, for there are many fascinating aspects to the district.

It previously was represented by Dalup Saund, the only man of Asian Indian descent to sit in the House. He was elected with the votes of the men from the local Labor Temple as well as those of the workers in the citrus groves and shipping plants.

Saund was defeated by Mr. Martin in '62. The latter is a fighter and is taking the barrage from the east with considerable calm. He is indeed well equipped for modern politics even in a showdown with the charm and experience of Ted Kennedy who worked this general area of the country back in the 1960 campaign of his brother.

REP. MARTIN saw action with the Coast Guard in the South Pacific. He played football for a local college and then for the University of California Bears.

In 1948 he married a charming girl named Patricia, and

today they have five youngsters. She takes all this in stride and though the women of the Washington Press Corps haven't yet discovered her, she nonetheless did well on her own by becoming president of the Eighty-Eighth Congressional Wives Club. This consists of all the spouses of freshmen Senators and representatives of the 88th Congress.

Martin is one of those rare freshmen who made three major committees — Judiciary, Interior and Insular Affairs and a new group called the "Select Committee on Government Research."

This latter is a prestige operation which is reminiscent of the Hoover Commission. Ironically, Martin was named to it at the suggestion of House Speaker John McCormack, whose nephew ran such a bitter race against Ted Kennedy in the Massachusetts primary back in '62.

If Martin wins this fall, he will move up quickly in the Republican national circles. Who knows how quickly? Another Californian who started as a representative moved to the Senate and later to the vice presidency.

You never can tell just where the political express train of history makes an unscheduled stop.

Picking a Vice President

By DAVID LAWRENCE

Almost all of the proposals that have been made recently about picking a vice president in case a vacancy occurs in that office seems to ignore the basic principle on which the American republic was founded — namely, that the people should choose both their president and vice president.

Since a vacancy might occur suddenly in the vice presidency and there would be no time for an election, the logical alternative is to place the responsibility of selection on the representatives of the people — the Congress of the United States.

Yet many of the plans now being suggested would give the incoming president himself, instead of Congress, the right to select a possible successor. Also, objections are raised to the idea of letting Congress pick a successor because the majority in both houses might happen to be of a political party different from that of the incumbent president.

These very phases of the debate now going on reveal a failure to differentiate between an oligarchy and a democracy.

There are, for instance, proponents of a plan whereby the president would nominate his own successor and then Congress would be permitted to vote on it. Other plans have been suggested which stipulate that the members of the president's cabinet should form the line of succession. Somehow or other, very few of the proposals provide that the people should do their own choosing — as is the case in many of the English-speaking democracies throughout the world.

There have been many suggestions that the terms of the members of the House be

lengthened to four years, and those of the Senate curtailed from six to four years, so that all members of Congress as well as the president would be voted for the same time.

But, as Woodrow Wilson wrote just a few months after he was elected to the presidency, four years is sometimes too long a term for a president and sometimes it isn't long enough. The same is true of Congress. Mr. Wilson insisted that some formula would have to be devised eventually whereby the president and his cabinet would be responsible directly to the people at periodic intervals.

What he had in mind, of course, was a modification of the parliamentary system, such as is in vogue in Canada, Great Britain and other countries.

EVEN THOUGH many students of government scoff at

the parliamentary idea, the fact remains that the dilemma which has recently arisen over how to pick a new vice president serves only to accentuate the inflexibility of this country's system of selecting its chief executive.

There is no perfect answer in sight to the question of how to select a new vice president in the interval between presidential elections, but certainly any plan that gives the people's representatives in Congress the final decision is better than one that bestows such a prerogative on the incumbent president himself.

To let an incoming president pick a successor when there's a vacancy in the vice presidency is not in accord with the basic principles of representative government in a democracy.

Back Through the Years

(From The News Files)

10 YEARS AGO — Mrs. R. C. Middeker entertained card club associates at her home last evening. Mrs. E. C. Allen, Mrs. L. C. Ziegler and Mrs. C. E. Mackintosh were winners at bridge.

Mrs. Sylvia Morron was the program chairman at last night's meeting of the Spencer Club of the Presbyterian church held at the home of Mrs. C. E. Philips on S. Lincoln Ave.

25 YEARS AGO — Charles Haldi has been elected president of the Salem Civic Committee. Kenneth Harsh was named vice president and Miss Helen Prud-

Mrs. Glenn Ward and Mrs. George Votaw were guests of the Blue Monday club when it met at the home of Miss Elizabeth Ward of Garfield Ave.

Today In History

Today is Wednesday, Jan. 29, the 29th day of 1964. There are 337 days left in the year.

Today's highlight in history: On this date in 1900, the American League of professional baseball clubs was organized in Philadelphia. Original member cities were Buffalo, Chicago, Cleveland, Detroit, Indianapolis, Kansas City, Milwaukee and Minneapolis.

On this date: In 1795, Congress passed a naturalization law requiring no-bility entering the United States

to renounce all titles.

In 1861, Kansas was admitted to the Union as the 34th state.

In 1891, the Secretary of the Treasury William Windom dropped dead at a dinner immediately after concluding a speech on finance.

In 1936, earthquakes formed a volcano of Mount Ararat, the Armenian peak where Noah's ark is said to have landed.

In 1949, the British government extended de facto recognition to the new state of Israel.

Ann Landers Answers

Dear Ann Landers: Yesterday was one of those impossible days. Dad was sick in bed with flu. Any woman will tell you it's easier to have four sick kids than one sick husband. He almost drove me crazy with his complaints and small demands.

Our oldest boy had to be driven to his music lesson. His sister was late for choir practice. The second boy had a dental appointment and was making excuses to stay home. The youngest son decided to spend the day picking on his 3-year-old sister.

I had run out of milk and oranges and couldn't possibly get to the market before it closed. The basket of unwashed laundry seemed to be leering at me from the corner. There it was, 11 p.m. and I was polishing shoes for Sunday.

As I polished I felt very sorry for myself. After I had put everything away and prepared to switch out the lights my eyes fell on the row of polished shoes — five pairs of them. Then the thought struck me. What if I lost just one of these dear people who fill those shoes?

That's the thought I plan to hold from now on. It sure straightened me out in a hurry. Pass it along, will you? — **COUNTING MY BLESSINGS.**

Dear Counting: Your wonderful letter should help put things in proper perspective for those who think it's the end of the world when the washing machine breaks down or Junior needs glasses. Thank you for writing.

Late Joiner

Dear ANN: I've always said anyone who had to write to you must be nuts. Well, add me to the list of nuts because now I need help.

Three months ago I started to date an executive with an advertising agency. He was evasive about his home life but I didn't think much of it.

Friday he phoned me at work to break a date because of a wrench back so I decided to surprise him. I got his address from his boss and rang the doorbell of his apartment at 6:30 p.m. A frowsy little redhead, about 22, opened the door. She was wearing an old bathrobe and a pair of men's slippers. I was so shocked and hurt I pretended I had the wrong apartment.

The next day when he phoned to say he was feeling better I decided to clear the air. I asked about the girl. He said she was the daughter of friends from Boise who had run out of money and needed a place to stay. He insists he is really a philanthropist and that I have an evil mind. What do you think? — **LINDA.**

Dear Linda: I've heard this sort of thing called by many names—but never philanthropy.

If he wanted to help the girl he could have paid for her room at the YWCA. Tell him to run that campaign down the flagpole. Nobody in his right mind would salute it.

Little Miss Helpful

Dear Ann: My friend and I both work in a department store and we ride the bus to and from work every day.

Yesterday a man removed his coat because it was warm in the bus. We were all getting off at the same stop and the man was standing in the aisle, just ahead of us. He was struggling to get into his coat, so I assisted him. He seemed grateful.

My friend said I had committed a grave social error—that a lady never helps a man with his coat. Is she right or wrong? — **FAUX PAS.**

Dear Faux: Ordinarily a man would prefer to get into his coat without assistance. If the coat is bulky, however, and the man seems to be having trouble it is perfectly proper to lend a hand.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Salem News, enclosing a stamped, self-addressed envelope.

The Doctor Says

By Dr. WAYNE G. BRANDSTADT
Health Questions And Answers

Q—My doctor says I have histamine cephalalgia. What is that?

A—This is a special type of headache that usually occurs at night and awakens the victim. It is usually located in the region of one eye and is very severe, but usually subsides in less than an hour.

As it subsides, there may be weeping from the affected eye and profuse sweating. The attacks may occur every night for several weeks, then disappear for an indefinite period and return later.

Cafegot also prescribed for migraine headaches) or the in-

halation of pure oxygen will give relief. Because the victim apparently has so much histamine in his system, desensitization to histamine has been tried with good results, but this is not an easy procedure.

A drug called betahistine hydrochloride has been developed and shows great promise, but it's not yet commercially available.

Q—I have a back ailment known as fibrositis. Could a fall 10 years ago have caused this ailment? My doctor has me taking a steroid drug, prednisone, that gives me a lot of relief.

A—The fall of the Tower of Babel is said to have resulted in a confusion of tongues. The confusion has persisted down to our own times.

"Fibrositis" is a term that was originally used to label rheumatic pains that were r-

due to an actual involvement of the joints (arthritis).

It is a convenient term and has a pleasant ring to it, but most doctors today prefer to pinpoint the cause of the pain as an involvement of the muscles (myositis), tendons (tendinitis), or bursal sac (bursitis).

The steroid hormones, such as cortisone and prednisone, will usually give relief.

Having received relief, you should reduce the dose of this drug as quickly as possible to prevent the undesirable effects of prolonged treatment.

Exposure to cold, damp air or a sprain that occurred just before the onset is the most likely cause, and not the fall you incurred 10 years ago.

Q—I am 38. My doctor put me in the hospital for pericarditis. Another doctor says I had myocarditis. What is the difference?

A—Pericarditis is an inflammation of the pericardium—the membranous sac that surrounds the heart. It may be due to one of several infectious diseases, or it may follow a coronary

heart attack, rheumatic heart disease or a variety of other causes.

Myocarditis is an inflammation of the heart muscle itself. This, too, may be due to these causes. It is no unusual for a person to have both conditions.

STUFFED BAKED POTATOES

4 large (2 pounds) mealy baking potatoes, ¼ cup butter or margarine, soft, ¾ cup cultured sour cream, ¾ teaspoon salt, ¼ teaspoon white pepper, Paprika.

Scrub potatoes in cold water

and dry. Bake in a moderate (350 degrees) oven for 45 to 50 minutes or until soft through. Cut in half lengthwise; scoop out pulp and put through a ricer. Beat in butter, sour cream, salt and pepper.

Pile potato mixture back into only 6 of the shells. Ruffle with fork tines and sprinkle with paprika.

Bake in a hot (425 degrees) oven for about 15 minutes or

until hot through. Makes 6 servings.

Only rainfall in the Namib coastal desert of southwestern Africa is a drizzle called "mol-treen" or "moth rain." This is too slight to be measured in a conventional rain gauge, but filterpaper tests indicate the fall may amount to about 1.8 inches annually.

Irwin-Grindel Vows Heard At Canton

Miss Carolyn Ruth Irwin daughter of Mr. and Mrs. Kenneth Irwin of Massillon, a former Salem nursing student, and John W. Grindel, son of Mrs. John Grindel of East Sparta, and the late Mr. Grindel, were married at 8 p.m. Saturday in the Maryland Avenue Baptist Church in Canton.

Rev. Gordon Roloff presided at the double ring ceremony.

Given in marriage by her father the bride wore a floor length gown of white silk and lace with low Sabrina neckline, long tapered sleeves and full bouffant skirt with a four tier chapel train giving back detail. A princess crown of crystals held her finger-tip length veil, and she carried an arrangement of white carnations and red rose buds.

Miss Donna Irwin, sister of the bride, was maid of honor, and bridesmaids were another sister, Margaret, Miss Phyllis Stacy, Miss Ruth Ann Bethune and Darlene Irwin, younger sister of the bride, who served as junior bridesmaid.

William Bower served as best man and ushering were Michael Grindel, brother of the bridegroom, Richard Irwin, cousin of the bride, and Lee Roy Conner. Kevin Murphy carried the rings.

The couple are honeymooning at Washington, D. C., and upon their return will reside at 1027 Park Ave., SW, Canton.

The bride is a graduate of the Hannah E. Mullins School of Practical Nursing and is employed at Canton Aultman Hospital. Mr. Grindel is a graduate of Canton South High School and is employed by the Hoove Co. at Canton.

DEAR HELOISE: What is your one expensive luxury? Surely you have something that you indulge in which is above and beyond the necessities of life. Won't you share this with your neighbors?

YOUR COFFEE FRIENDS. Yes, I do have one luxury. It's incense!

Having lived in China and Japan, I find that this few cents I spend for incense is most uplifting and inspiring. I don't know what it does, but no matter how poor the Chinese or Japanese are, they always burn incense.

After my family gets off to work and school, and before I get to work I light two cubes of incense. I place one in the living room and one in the back part of my house in an ash tray. This odor is so uplifting that it gives me inspiration to keep going because I know my house must be worthy. It makes me feel like a lady.

Incense may be bought for from 15 cents to 20 cents at the "dime store." I figure this costs me less than one-half cent to burn one! So why not

HELOISE.

DEAR HELOISE: I save the greeting cards my husband gives me and put them in different drawers in our dresser. It is nice to open or straighten a drawer and see a pink or rose-colored card that says "For my wife on her birthday with all my love" or open an anniversary card which says "I love you very much".

Garden Club's Luncheon Features Awards, Program

Mrs. William Butler presided when the Salem Garden Club met Monday noon for a buffet luncheon in the Ruth Smucker House. Mrs. E. S. Huffman, Mrs. N. L. Reich, Mrs. Clifford Segesman, Mrs. W. D. King and Mrs. D. H. Rummell were the committee in charge.

Mrs. Robert Polter, Mrs. John Webb and Mrs. Leon Kuniewicz were welcomed into membership.

Mrs. Mattix Hostess to Mothers Club

"Pushing Our Children Into Adulthood" was the theme of a talk by Mr. Gertrude Hendricks of Youngstown, director of family education in the public schools there, when 20 members of the Junior Mothers Club met recently with Mrs. Frederick Mattox of Southeast Blvd.

The club welcomed six guests, Mrs. Jesse Gray, Mrs. William Crookston, Mrs. Kenneth Quant, Mrs. James Hollinger, Mrs. Isaac Kidder and Mrs. Harold Martsof.

Plans were made for a Valentine party next month for the pupils of the Retarded Children's School. Mrs. Robert Zimmerman will be chairman in charge of the arrangements.

A progress report on plans for the Ohio Child Conservation League spring conference to be held April 25 at the Salem First Methodist Church was given by Mrs. Thomas Fideo, who is general chairman for the event.

Refreshments were served by the hostesses, Mrs. Fideo, Mrs. Jack Leipper, Mrs. Thomas Coe and Mrs. Robert Zimmerman.

Mrs. Walter Hendricks of 842 Southeast Blvd. will be hostess to the group Feb. 19 at 8 p.m.

Oil Painting Class To Begin Feb. 6

The spring session class in oil painting being offered by the YWCA will begin Feb. 6 at 7:30 p.m. and will be taught in eight classes of two hours each by Matthew Mawhinney.

Those wishing to enroll should register at the "Y" office by Feb. 3.

Mrs. John Botu. Mrs. George Emeny was guest speaker and told of her experiences during her recent trip to the Orient under the sponsorship of the Garden Clubs of Ohio last year. She showed slides taken in Japan, Taiwan, Hong Kong and Thailand.

Mrs. Emeny remarked there were three types of gardens to be seen in the Orient, by boat, by strolling and by contemplation.

"Balance of the Elements in Flower Arranging" will be the subject for a workshop under the direction of Mrs. Ben S. Brown at the next meeting Feb. 24 at 12:45 p.m. in the Ruth Smucker House.

'Ag' Career Day Set

The Ohio State University College of Agriculture and Home Economics will hold a Career Day for prospective students Saturday. The session for agriculture students will be at the Agricultural Administration Building auditorium and the session for home economics students at the Campbell Hall auditorium. Both programs will begin at 9:30 a.m. and end at 2:30 p.m.

Wheat Disease Control

Stem rust disease on wheat and similar crops is almost a thing of the past due to an effective control program conducted over many years. For this disease to exist it lives on common or European barberry for a while and then on wheat. This is referred to as alternating hosts and in this case when the common or European barberry plants are destroyed, stem rust is eliminated. It must have both host plants on which to live at different times.

The control program is based on finding and destroying the common or European barberry plants. To accomplish this men pursue a systematic search of a given area and destroy these plants.

In Mahoning County, field work got underway this week in the Beaver Township area.

Approximately 35 square miles will be checked in the county this year. Everett Bright and Francis Harnar will conduct the field work under the direction of C. C. Custer of New Waterford, who is with the U. S. Department of Agriculture Plant Pest Control Division.

These men do not wear uniforms but do have U.S. Department of Agriculture identification cards and are to make every reasonable effort to contact the property owners in the area they are working. Their inspection work is entirely out-of-doors and they do use harmless lime marks on fences and elsewhere as guides to enable them to be certain they have inspected the entire area.

Some barberry plants such as the Japanese are rust resistant and do not need to be destroyed. Identification guides are available from the field inspectors or the County Extension Office at Canfield, reports William B. Phillips, county extension agent in agriculture.

Combat Soil Erosion
More than 3,200 water supply reservoirs in Ohio are losing water storage capacity each year due to sediment deposits, reports H. L. Reuter, Columbiana County work unit conservationist with the USDA Soil Conservation Service.

Sediment kills fish and ruins recreational reservoirs. Sediment fills roadside ditches, harbors and must be removed at great cost to maintain shipping and roadways, he points out. All sediment has its source in erosion of one form or another . . . from sheet erosion, gully erosion, streambank erosion and wind erosion. Soil on the move becomes sediment.

In Columbiana County there are 64,030 acres of cropland which needs treatment to eliminate the erosion problem. 27-

SEEKS U.S. HELP — This is Chief Penghulu, Kelabit tribal leader of 3,000 people of the Tamabo Mountains of Borneo. The tribe consisting of former headhunters, are caught in midst of an undeclared war along the Malaysian-Indonesian border. Chief Penghulu, through Conrad Fink, Associated Press writer, sends a special message to President Johnson. "Tell your chief the Kelabit people would like to live in peace and not war," he says. "If he can stop the trouble along our border the Kelabit people will be his friends."

442 acres of our cropland has been adequately treated to eliminate erosion problems.

Farmers who practice soil conservation are helping to keep our streams and reservoirs clear, according to Reuter. He said 1,000 Columbiana County farmers have taken advantage of USDA assistance to prevent erosion on their farms.

OLDTIME BISCUITS

1 cup sifted flour, 2 teaspoons baking powder, 1/4 teaspoon cream of tartar, 1/4 teaspoon salt, 1 teaspoon sugar, 1/4 cup butter or margarine, 1-3 cup milk.

Into a mixing bowl sift together the flour, baking powder, cream of tartar, salt and sugar. With a pastry blender cut in the butter until the particles are tiny. Add milk. With a fork stir just until a dough forms.

Turn out on a prepared pastry cloth; shape into a ball; knead 8 to 10 times. Roll out a little less than 1/4-inch thick; using a 2-inch round cutter, cut out biscuits. Re-roll tag ends and cut out the same way. Place a few inches apart on

a cookie sheet and bake in a very hot (450 degrees) oven 10 to 12 minutes or until lightly browned. Serve hot or reheat. Makes 11 biscuits.

Camp Fire Girls

Bi-mo pa Group

Members of the Bi-mo-pa Group of Camp Fire Girls elected Kristine Miles as president recently.

Other officers elected are: Vice president, Cindy Linder; secretary, Carole Proctor; treasurer, Cathy Koenreich, and scribe, Denean Ellyson.

The group gave books to be used in the children's wards at the hospitals and are learning how to knit.

They meet at the First United Presbyterian Church under the guardianship of Mrs. T. A. Kneifel.

Aowakiya Group

Kerry Lowry was elected president of the Aowakiya Group of Camp Fire Girls recently.

Other officers elected were: Vice president, Chris Penrod; secretary, Cheryl Nutter, and treasurer, Lynn Esterle.

Books, toys and games were collected by the group and donated to the children's ward at Salem City Hospital.

The group recently enjoyed a field trip to McArtor's Greenhouse where each girl was presented a potted plant.

Tandaimi Group

Beth Beck, newly elected president of the Tandaimi Group, Camp Fire Girls, presided recently when the group met at the home of the guardian, Mrs. Elton Neumann of E. 8th St.

Other officers of the group are: Vice president, Kathy Huffman; secretary, Maria Spack; treasurer, Vickie Neumann and scribe, Norma Cooper.

During the holidays the group enjoyed a party at the home of Mrs. Donald Oesch, assistant guardian, and went Christmas caroling.

Tentative plans were made for a toboggan party and a Valentine slumber party which will follow a basketball game.

Costumes and crafts for their ceremony in the spring are being made at the meetings.

Wa-cin-ton Group

Judy Albright was elected president of the Wa-cin-ton Camp Fire Group recently. Other officers to serve the balance of the year are: Vice president, Tina DeJene; secretary, Peggy Zimmerman; treasurer, Denise Hillman, and scribe, Margie Eckstein.

Plans are being made for a swimming party at the Alliance YWCA in the near future.

Our Students

Miss Penny Balan, daughter of Mr. and Mrs. Daniel Balan, 976 Fair Ave.; Miss Judy Filler, daughter of Mr. and Mrs. Raymond Filler, 1135 Short St., and Miss Bonita Less, daughter of Mr. and Mrs. Joseph Less, RD 5, Salem, have completed arrangements to enter Columbus Business University next fall. Miss Balan and Miss Filler are seniors at Salem High School. Miss Less is a senior at Leetonia High School.

On KSU Center List

Five students at the Salem Academic Center of Kent State University achieved perfect grades for the fall quarter, director Richard J. Velzy has announced.

Persons who received a 4.00 grade (A) for six or more credit hours were Roy Bell, 1196 E. State St., Salem; Mrs. Twila

Greene of RD 3, Salem; Mrs. Carol Ann Lewis of 136 Summit St., Lisbon; and Miss Norma Jean Snowden and Miss Annette L. Wilson of East Liverpool. These with a 3.25 grade (B plus) for over six credit hours were Michael Ferrier, 1916 Southeast Blvd.; Wendell Satterthwait of RD 2, Salem; Mrs. Mariann Myers and Miss Joyce Eskew of Lisbon; Evelyn Marie Boyd of Wellsville; and Mrs. Ann Lynn of Canfield.

Eight other persons received straight A for under six hours credit. They are: Mrs. Dorothy McKibben 317 Woodland Ave.; Mrs. June E. Botu, 1609 N. Ellsworth; Mrs. Areta Ender of RD 1; Mrs. Gretchen Baldwin of Wellsville; Mrs. Jerrienne Calvin of Hanover; Mrs. Mary Margaret Pettit of Lisbon; and LeRoy Moss and Ernest MacKenzie, both of East Liverpool. Velzy said 130 students were

enrolled in the fall quarter at the university's two-year branch here. Winter quarter classes are currently in session.

Deaths Funerals

George Nolsheim

COLUMBIANA — George Albert Nolsheim, 83, of 118 Railroad St., died of pneumonia at 9:55 p.m. Tuesday at the Huton Nursing Home in Salem.

Born in Connequenessing, Pa., July 18, 1880, the son of Casper and Catherine Simon Nolsheim, he was an ornamental ironworker and was last employed by the Diamond Construction Co. He was a member of the First Christian Church.

Mr. Nolsheim is survived by his wife, Anna Lou Finnie Nolsheim, whom he married May 1, 1943; three daughters, Mrs. Purney Wahl and Mrs. Paul Kennedy, both of Ellwood City, Pa., and Mrs. Bruce Kalp of Butler, Pa.; three sons, Herbert of Youngstown, Glen of Torrence, Pa., and Louis of Sewickley, Pa.; three stepsons, Gerald Finnie of Salineville, Richard of Alton, N. Y., and William of Dallas, Texas; 30 grandchildren and 15 great-grandchildren. One son George Jr. died last year.

Services will be at 1:30 p.m. Friday at the Seederly-Bellhart Funeral Home in Columbiana with Rev. David Wolfgang officiating. Burial will be in Columbiana Cemetery.

Friends may call at the funeral home Thursday evening.

J. Roy Kepner

LISBON — J. Roy Kepner, 76, Lisbon RD 1, retired partner in the Buckeye Coal Company, died Tuesday at 1:35 p.m. at the Jess Parish Memorial Hospital, Titusville, Fla., after an illness of 10 days.

Born May 26, 1887, in Lake City, Iowa, a son of George and Lottie Bell Lane Kepner, he moved to the Lisbon area from Columbiana in 1944. He and his son, Harold Kepner, and Harry Pearson, organized the Buckeye Coal Company in 1939. Mr. Kepner retired in 1952.

Mr. Kepner was a member of several Masonic organizations. He married Alma Vista Mowen in 1911.

She survives in the home, along with two sons, Harold W. Kepner, Lisbon, and Carl Raymond Kepner, Massillon; two sisters, Mrs. Carl Olson and Mrs. Marie Misner, both of Cleveland; one brother, George Raymond Kepner of Philadelphia.

Funeral services are pending at the Eells-Leggett Funeral Home. Burial will be made in Lisbon Cemetery.

UFM demands full integration in the receiving schools. Some of the white parents believe the mixing will mean lower teaching levels.

About 60 white women and 10 men descended on Brett Tuesday. The parents spent the school day in the school auditorium and corridors. It took appeals from a minister, a School Board member and Abner Ballaw, president of the Colliwood Improvement Council, to calm them.

The mothers said they came to school because they feared for their children's safety in view of plans of Hazeldell parents to picket.

Some 25 mothers gathered in the north wing of the school, where most of the primary grades are located, and refused to leave until Dr. George E. Theobald, assistant superintendent of elementary schools, threatened to summon police aid. The women then went to the auditorium.

Later they were joined by three Negro mothers of Hazeldell pupils, and it was decided to set up a mother-to-mother committee to discuss school problems.

At Memorial School, about six mothers escorted their children to class, but there were no incidents.

Some 100 UFM representatives picketed the school headquarters downtown Tuesday, but the UFM scheduled its picketing today for the schools involved. Some 800 pupils are transferred daily from Hazeldell to Brett, Memorial and Murray Hill schools.

FAIR HOUSING BILL

CLEVELAND (AP) — East Cleveland city commissioners went on record Tuesday night in support of a statewide fair housing bill. The action had been recommended by City Manager Grant T. Apthorp, chairman of a citizen's committee set up last year by the commissioners to study community relations, zoning and several other community problems.

Wallace to Clarify Ohio Intentions

COLUMBUS, Ohio (AP)—Gov. George C. Wallace of Alabama was expected to clarify at a news conference today his intentions regarding Ohio's May 5 primary.

It was reported earlier that Wallace would enter the Democratic primary as a presidential candidate in one Ohio county only—Franklin—and the governor said this was his intention when he arrived Tuesday night at Port Columbus Airport.

However, he was quoted as saying before he left Alabama that he was "misunderstood" by a Columbus radio station that first reported the story Monday night. Wallace could not be reached Tuesday night. It appeared he had gone into seclusion.

Meanwhile, the Columbus chapter of the Congress of Racial Equality made plans to picket Wallace's press conference. A CORE spokesman indicated that as many as 200 demonstrators might be outside the hotel where the conference was scheduled.

Wallace has been an outspoken advocate of segregation and states' rights.

The spokesman added that efforts would be made for some of the demonstrators to enter the conference.

Wallace told newsmen before leaving the airport Tuesday night that he had no expectation of winning the presidential nomination but that he hoped his action would show there is sentiment for states' rights in the North.

He said he might enter primaries in "two or three" Northern states for the same purpose but that he had not decided which states.

A few pickets milled about Tuesday night outside the hotel where the governor was believed to be staying, but they remained orderly and stayed only a short time. The hotel denied that Wallace was registered there although it was to be the scene of the governor's news conference.

Radio station WMNI quoted Wallace as saying he would be happy if he could get only 5 or 10 percent of the Democratic vote in Franklin County (Columbus). He said such a showing in a Northern city would indicate a nationwide dissatisfaction among Democrats with the Kennedy and Johnson administrations.

Baker

(Continued From Page One)

a witness in the Baker hearings. He said there is "a clear issue of possible perjury" which should be followed through.

The committee, in recess today, is investigating whether Baker, who resigned under fire on Oct. 7 as secretary to the Senate's Democratic majority, engaged in business dealings that conflicted with his official duties or involved other improprieties.

Reynolds, a local insurance agent with whom Baker was associated, has testified that at Jenkins' suggestion he agreed to buy the advertising time in connection with his sale of \$100,000 in insurance on Johnson's life.

At the time Johnson was the Democratic leader of the Senate. Later, after Johnson had become vice president, the insurance was increased to \$200,000.

Jenkins denied in his sworn statement that he had knowledge "of any arrangements by which Reynolds purchased advertising time on the TV station."

Reynolds has disputed this and has said that not only he but Albert G. Young, president of the Mid-Atlantic Stainless Steel Corp. of Silver Spring, Md., a pots and pans manufacturer, discussed the television advertising with Jenkins.

SHOOTING ACCIDENTAL

LISBON — Chief Leon T. Zahndt reported this morning that a shotgun blast which damaged two west end homes Monday at 9 p.m. was accidental.

He said Freeman Laughlin, 28, was working on a shotgun at the home of his parents, Mr. and Mrs. Robert Laughlin, 510 W. Washington St., when the gun discharged. The blast went through the door of the Laughlin home and through a window at the home of Mr. and Mrs. Harvey Everett of 516 W. Washington St.

Chief Zahndt said the gun, which was picked up by police, will be returned to its owner.

Ban on Cigarette Machines Imposed By Some States

NEW YORK (AP)—Officials of several states have banned the sale of cigarettes in some government buildings, including hospitals.

They cite reports by the U.S. surgeon general, and private research, on the health hazards of smoking cigarettes.

Some private hospitals also have ordered cigarette vending machines removed. Miriam Hospital in Providence, R. I., put up signs saying: "We do not sell cigarettes. We love you too much."

In many areas, public officials ordered strict enforcement of laws, some decades old, against selling cigarettes to minors.

The National Association of Broadcasters, meeting in Florida, is expected to amend its code of self-regulation to forbid programs or commercials that might tend to encourage young people to smoke.

The major television and radio networks have said they are reviewing their policies on commercials.

A survey by The Associated Press indicated today that efforts by government officials to discourage smoking by educational campaigns are fairly widespread. Outright bans of cigarette sales are less prevalent.

Public Health hospitals in Massachusetts have been ordered to discontinue sales of cigarettes in canteens and to remove vending machines.

Pennsylvania banned cigarette sales in its four hospitals for tuberculosis and is considering banning them in the state's general and mental hospitals.

California's Public Health Department banned cigarette vending machines from all its buildings last July after a state report on smoking hazards.

The University of Minnesota's hospitals and the Rochester (N.Y.) Institute of Technology have banned cigarette machines.

New York State and California are among the states that plan to tell school children about the hazards of smoking.

from Los Angeles and Pittsburgh.

Republican National Chairman William E. Miller will speak from Cleveland, while Sen. Thurston Morton of Kentucky will be in Houston, Tex.

The televised portion is also to carry speeches by these three Republicans who have denied they are presidential candidates but have indicated a willingness to accept a draft: Michigan Gov. George Romney in Washington, D.C., Pennsylvania Gov. William W. Scranton in Indianapolis and former Vice President Richard M. Nixon in New York.

Nontelevised GOP dinners in other cities will be addressed by some of the party's congressional leaders and governors.

Meanwhile, the rapidly filling New Hampshire primary field was reduced by one. Former Gov. Wesley Powell pulled out Tuesday in favor of Nixon, whom he called the logical choice for the nomination.

This left Rockefeller, Goldwater, Maine Sen. Margaret Chase Smith and perennial hopeful Harold E. Stassen as GOP presidential candidates in New Hampshire's March 10, first-in-the-nation primary.

Delegates favorable to Nixon and Henry Cabot Lodge, now U.S. ambassador to South Vietnam, are also expected to contest the New Hampshire fray.

With Patients

Larry Devine, 18, of RD 1, Salem, was treated at the Alliance City Hospital at 7:15 p.m. Tuesday for contusions of the right hand received in a fall.

CITED AFTER CRASH

A 16-year-old Salem youth was cited for reckless operation after he was involved in a two-car mishap Wednesday at the intersection of S. Howard Ave. and Newgarden Ave.

Police said Terry Lee Yakubek of 815 Prospect St. was traveling north on Newgarden Ave. when he went left of center while turning onto S. Howard Ave., hitting a vehicle operated by John Harry, 44, of 769 Arch St., which was stopped.

STATE BOND ISSUE

COLUMBUS, Ohio (AP)—The state administration's proposed \$500 million highway bond issue was endorsed Tuesday by the Board of Directors of the Ohio Chamber of Commerce.

AIDED BY MARCH OF DIMES — Vicki Franklin, 8, (left), daughter of Mr. and Mrs. George Franklin of 288 Woodland Ave., and Carol Panetzott, 10, daughter of Mr. and Mrs. Carl Panetzott of 443 Woodland Ave., are just two local children aided by the March of Dimes. Vicki suffers from rheumatoid arthritis while Carol has cystic fibrosis. The "Mothers March" for the March of Dimes to aid them and other victims of polio and associated diseases is being held today, Thursday and Friday. Mrs. Richard Greene is drive chairman.

Beaver Board to OK \$918,854 Budget

A 1964 budget of \$918,854 is expected to be adopted Monday night by the Beaver Local School District Board of Education. The figure is an increase of \$22,262 over the 1963 budget, according to clerk Harry Greenwood.

The budget was outlined at a caucus session of the board Monday night.

The new budget takes into account \$737,403 in general fund; \$89,505, bond retirement; \$90,977, lunch room; \$815, Title III; and \$152, building fund.

Two board members will attend the meeting of the Beaver Local Athletic Association Monday night preceding the board session. President John Pape will conduct the sports group's business.

In plans do not call for the elimination of the theater officials said. Further building details will be completed at a later date.

Dr. Wolf pointed out that final negotiations have not been fully settled but added, "we're definitely interested in coming to Salem."

The center will carry a complete line of foods and wearing apparel with the store stressing variety, quality, price and service.

The property on which the building is planned is part of a 100-acre tract currently being considered for annexation to the city. The annexation ordinance received its first reading at Council's last regular session.

MAN KILLED IN ACCIDENT

COLUMBUS, Ohio (AP)—One man was killed and another injured Tuesday night when their car went out of control and crashed off Columbus' Park Street viaduct.

Killed was Carl Edward Snyder, 40, of Columbus. The driver, Russell R. Shank, 28, of Columbus, apparently was not injured seriously, officers said.

Atlanta's approach to human relations," Allen said. He has been working to open public accommodations to all, and was one of the few Southerners who testified in behalf of the accommodations section of the proposed civil rights bill in Washington.

The Atlanta Restaurant Association proposed to its members Tuesday night that all restaurants in the city be closed for one day to "show the unity of the restaurant industry."

The association's executive secretary, Ed England, told the approximately 200 members that the organization wanted only to have the right to operate its restaurants either integrated or segregated, which ever the owners preferred.

The size and intensity of Tuesday's demonstrations lessened after massive protests Sunday and Monday, when more than 200 were arrested. Fisticuffs broke out Sunday night among Ku Klux Klansmen and Negro pickets at Leb's restaurant, in the heart of the city's downtown hotel district.

Those arrested were charged with disorderly conduct and disturbing the peace.

Saturn

the Ranger 6 spacecraft for a flight to take closeup pictures of the moon's surface. The shot is scheduled Thursday morning.

Russia's 14,292-pound Sputniks 7 and 8, launched in 1961, are the heaviest satellites sent up earlier. The United States' heavyweight entry was the 10,200-pound Centaur fired in November.

Because of the test nature of today's flight, the Saturn 1 payload had only a limited scientific mission. Most of the weight consisted of 11,600 pounds of sand for ballast and the 13,500-pound second-stage motor casing, designed to remain attached.

A radio beacon was aboard for tracking, and there was a great array of equipment to report performance of the vehicle.

Speaker Detects Government Hold On School Systems

America's school system is tending more and more toward more stringent federal control, Salem's visiting educator, Ahmad S. Khan of Pakistan, noted before the Rotary Club's luncheon meeting Tuesday.

Khan, who is the equivalent of president of the Government College of Hyderabad, said he has observed that American schools are now more locally controlled than those in his country, but government aid programs in the United States make it appear to him that we are heading deeper and deeper into centralized control. Title 3, which aids school's scientific instruction, and Title 5 for assistance in guidance are two of the current federal help programs.

Comparing American and Pakistan schools, Khan said he favored the American system of pupil individualization whereby a student can progress at his own rate. Pakistan's schools, patterned after the English, are more selective. If a pupil fails, he is dropped from the course.

The foreign visitor, who has been staying with Supt. of Schools Paul E. Smith, spoke on the elementary schools and a family life in Pakistan before the Reilly Parent-Teachers Association last night. He speaks to Kiwanis Thursday. He will be in Salem about two more weeks.

Health, Safety Unit Picks Committeemen

Four executive committee members were elected at a meeting of the Columbiana County Health and Safety Council Tuesday night at the county extension office in Lisbon. They are:

Harry Stockdale, East Liverpool, county health sanitarian; Mrs. Ruth Butcher and Edward E. Mallory, Salem, and the Rev. Tom Hammerton of East Palestine.

The 15 members attending also discussed equipment for the county's new nursing home to be constructed at the county infirmary.

The group discussed the March 15 retirement of Dr. C. S. Palmer, county health commissioner, and his replacement. A letter of recommendation will be sent to the Columbiana County Health Board by the council.

Francis Bezdek of near Signal, president of the County Health and Safety Council, presided.

Guilford Lake Assn. Will Hear Wetzel

State Rep. Clarence (Dutch) Wetzel will be the guest speaker at the meeting Thursday at 8 p.m. of Guilford Lake Association at the Guilford fire station.

Wetzel will speak on the new boat and dock licensing at the lake. A question and answer period will follow his talk. Charles Gause, president, will preside.

PLEADS INNOCENT

TIFFIN, Ohio (AP)—Charles Robert Justice, 38, whose Berwick home was insured for \$28,000 on two policies purchased within the past month, pleaded charges in connection with the burning of his home early Sunday. Justice was bound over to the Seneca County grand jury at his arraignment in Municipal Court.

Promoted At Bliss

Robert Dutcher

Robert Dutcher of RD 3, Salem, has been promoted to the position of foreman in the machine shop of the Salem Division of the E. W. Bliss Company, according to an announcement by Byron E. Mumaw, superintendent of the machine and erection shops of the Salem Division.

Dutcher, a native of East Palestine, started with the E. W. Bliss Company as a machinist in 1960. A graduate of East Palestine High School in 1952, Dutcher previously worked as a machinist for the National Rubber Co. of Columbiana and the Lincoln Machine Co. of Salem.

A veteran of the Army, he and his wife, Ina, are the parents of two children, John and Thomas.

U.S. officials in Washington said the United States is seriously considering sending a contingent of troops to Cyprus, but that it wants more information before acting.

Gen. Lyman L. Lemnitzer, NATO's supreme commander in Europe, flew from Paris to Ankara Monday for consultation with the Turks. He went to Athens today.

The Greek Cypriots, who make up 80 per cent of the island's population, are demanding removal of the veto which the Cyprus constitution gives the Turkish Cypriot minority. The Turks demand that the veto be retained or that Cyprus be partitioned between the two communities.

With only Bethlehem Steel Corp. and Jones & Laughlin Steel Corp. among the top eight producers to be heard from, net income for the others came to \$438 million, up nearly one third from the \$365.1 million they reported in 1962.

National Steel Corp., the fourth ranking company, set a record pace last year. Profit reached 63.8 million to eclipse its previous high, 57.8 million in 1950.

Other strong gainers included Republic Steel Corp., Armco Steel Corp. and Inland Steel Co. Steel output cracked a five-year slump in 1963, zooming to 109 million tons for its first over-100 year since 1957.

3 Cars Collide On

E. Liverpool Bridge

The Lisbon post of the State Highway Patrol reports two motorists were slightly injured Tuesday at 4 p.m. on Route 30 on the East Liverpool - Chester, W. Va., bridge where three cars collided.

John McPeck, 45, of East Liverpool suffered a neck whiplash and shoulder injury and Ralph Ward, 30, of Chester sprained his back. The driver of the third car, Robert Booth, 33, of East Liverpool was unhurt.

The Patrol said all were driving north in a line of slow-moving traffic when Booth struck the rear of Ward's car, knocking it into McPeck's. Booth was cited for failing to stop in the assured clear distance.

30 Cars of Freight

Train Are Derailed

ASHTABULA, Ohio (AP) — Thirty cars of a 104-car Chicago-New York freight train of the New York Central Railroad were derailed here today. No one was injured.

Four mainline tracks were blocked, and NYC passenger trains were derailed over the Nickel Plate road between Ash-tabula and Madison, Ohio. The railroad said it expected to have one track open by early evening.

The cause of the derailment was being sought. The cars were loaded with general merchandise.

PUT OUT BLAZE

LISBON — Firemen extinguished a minor blaze Tuesday at 5:20 p.m. at the home of Joseph Getz, 501 W. Maple St., where a shed containing straw caught on fire. Firemen said sparks from a nearby trash fire ignited the straw. Minor damage was caused.

9th Winter Olympic Games Get Under Way Today

35 Nations Are Entered

Russians Rated Favorite Again

By TED SMITS
Associated Press Sports Editor
INNSBRUCK, Austria (AP)—The ninth Winter Olympic Games, plagued by lack of snow and under the shadow of two tragic training deaths, opened today in traditional splendor.

The 1,620 athletes from 35 nations paraded at the base of the spectacular Berg Isel ski jump and dipped the national colors as Paul Aste, Austrian bobsledder, took the Olympic oath of amateurism and sportsmanship on behalf of all competitors.

The torch that burns until the Games end Feb. 9 was lit by Josi Rieder, a former Austrian world ski champion.

The big Russian team is expected to dominate these Games just as it did those at Squaw Valley, California, four years ago when the Soviets won seven gold medals, five silver and nine bronze. Strong competition will come from Germany, Norway and Austria.

Saubert U.S.'s Best
The United States, which won three firsts at Squaw Valley, is pinning most of its hopes on Jean Saubert, the sturdy Oregon girl who is among the world's best in the slalom and downhill ski races.

Hockey competition is already under way and tonight the first championship of the Games will be settled — the pairs figure skating.

Thursday there will be the men's 30 kilometer cross country race, women's 500 meter speedskating, and the men's downhill ski race.

The opening ceremonies followed rigid Olympic protocol.

On hand were Dr. Adolf Scharf, president of Austria; Avery Brundage of Chicago, president of the International Olympic Committee; Prof. Friedl Wolfgang, secretary general of these Games, and international sports officials.

Flags of the 35 competing nations were run up as the Austrian national anthem was played. The white Olympic flag with the five interlocking circles that flew at Squaw Valley was ceremoniously brought in and presented to Dr. Alois Lugger, mayor of Innsbruck.

Soldiers Bring In Snow
Only on the jagged peaks of the Tirolean Alps that ring Innsbruck can snow be seen in abundance, but enough has been brought in by Austrian soldiers to provide an adequate surface for the ski and jumping events on the lower slopes.

Harassed Austrian officials fear that if the white stuff does start falling now it will only complicate matters.

Never before has tragedy struck the Games so early and so hard. Ross Milne, Australian skier, and Kazimierz Kay-Skrzypiecki, a Pole who became a British citizen and took up bobsledding, were both killed in pre-Olympic training here. A dozen or so others have been injured, some seriously.

Many fear that the hard-packed and icy snow brought here for the Games will produce further mishaps.

The opening day's program was limited to give most competitors a chance to participate in the traditional inaugural ceremonies but it was a program likely to please the fans.

Hockey Match Important
The hockey schedule started off with what could be the most crucial match of the games. The United States, surprise winner of the 1960 title, was pitted against powerful Russia, the current world champions. They met at 7:30 a.m. EST.

In two other matches in the round robin championship meet Czechoslovakia faced Germany and Canada confronted Switzerland.

The first gold medal of the games was at stake in the pairs figure skating tonight, and world champions Marika Kilius and Hans-Juergen Baumeier of Germany were the favorites.

But they faced a strong challenge from Russia's Ludmila Belousova and Oleg Protopopov and Canada's Debbi Wilkes and Guy Revell.

Germans Hurt By Draw
The draw hurt the favored Germans.

They drew the second skating position in the field of 17. The Soviet champions skate ninth and the Canadians tenth.

Since there is no compulsory portion to pair skating, the panel of nine judges must rank the couples entirely on the basis of their five-minute free skating programs tonight. Skaters generally feel the judges are reluctant

NFL Increases Player Limit From 37 to 40-Man Squads

By JACK HAND
Associated Press Sports Writer
MIAMI BEACH, Fla. (AP)—The prosperous National Football League, riding high with a new \$28.2 million television contract and a record attendance of 4,163,643, has boosted its player limit to 40 men in a move that should cut down on taxi or reserve squads.

The league acted to stabilize squads Tuesday by increasing the player limit from 37 to 40 players, who must come from a 50-man pool remaining after the final cutdown.

"The spirit of the new rule is to give early competitors high marks. Skaters also like to compete as late as possible so they can first see what their rivals do."

Experts here figure a second Russian couple, Tatyana Zhuk and Alexander Grailov, stand the best chance of finishing fourth after the three favored pairs.

The three U.S. brother-sister teams hope to fight it out for fifth place.

Judianne and Jerry Fotheringill of Tacoma, Wash., and Vivian and Ronald Joseph of Highland Park, Ill. seem the best bets. They have been 1-2 in the past two U.S. championships, and placed 7-8 last year in the world meet. The third U.S. entry is Cynthia and Ronald Kauffman of Seattle.

The Fotheringills skate 11th, the Josephs 17th and last and the Kauffmans fifth.

is to stop shuttling players on and off the active list," said Commissioner Pete Rozelle.

Cut Down On Taxi Squads

"The new player limit will have the effect of cutting down on taxi squads," explained Jim Kensil, league public relations chief. "Unless you can bring up a player during the season there is not much point of carrying him on a taxi squad for next year."

Most of the pro teams carry reserves who are members of a so-called taxi squad, over and above the player limit. Normally they can be brought up to the active list when a regular is injured.

Under the new rule the only replacements for the list of 40 men, remaining after the final cutdown on the last Tuesday before the season opens, must come from the master list of 560 players. The list represents the 40 players by each of the 14 clubs.

Special Exception Made

Rozelle said a special exception had been made in case four men are injured and rendered inactive for the rest of the season. In that case, one outsider could be added who was not on the list of 560. Of course, the usual deals and waiver transactions can be made.

The NFL also approved closed circuit television of the home games of any club in its local blackout area, normally 75 miles. Each club is permitted to make its own deal, with the proceeds included in normal

gate receipts and divided 60 per cent to the home team and 40 per cent to the visitors.

Shares For Title Game

Closed circuit in the Chicago area of the Chicago Bears-New York Giants title game Dec. 29 brought \$35,043.5 into the record championship receipts of \$1,493,954.0.

The league office announced a financial breakdown of the title game. Each winning share of the Bears was worth \$5,899.77 and each losing share of the Giants was \$4,218.51. Both were records.

The Bears got 49½ shares, the Giants 45½. Green Bay players got \$577.50 each and Cleveland Browns \$521.97 from the pool for conference second place teams.

A motion to count the games as one-half victory and one-half defeat was withdrawn after a sample of sentiment showed most clubs were against it. The visiting club will be permitted to wear its distinctive colored uniforms in 1964 if the home club agrees to wear the white shirts.

Texas Aggies Are In Good Position To Win SWC Title, Are Now 3-0

By TED MEIER
Associated Press Sports Writer
For the first time in 20 years the surprising Texas Aggies are in a good position to win the undisputed basketball championship of the Southwest Conference.

Despite a 73-65 defeat by independent Houston Tuesday Jan. 11 for the Aggies and it took some nifty long-range shooting by Chet Oliver, Jack Marquethaler and Benny Neumann to win for Houston.

The trio combined for 44 points as the Cougars won their eighth

"Our foes took us too lightly the first half of the season said Metcalf. "It won't be that way the rest of the season. Every-one will be pointing for us now that we're on top and the team to beat."

Tuesday's defeat by the Cougars was the first game since Jan. 11 for the Aggies and it took some nifty long-range shooting by Chet Oliver, Jack Marquethaler and Benny Neumann to win for Houston.

The trio combined for 44 points as the Cougars won their eighth

in a row before a delighted Houston turnout of 7,700. Sophomore John Beasley with 17 points and Lenox with 11 led the Aggies.

The game helped highlight another slim national program on the college hardwoods. Fifth-ranked Vanderbilt, the only team in The Associated Press Top Ten to see action, romped against Arkansas State 108-73.

Wisconsin beat Marquette 72-68. Providence whipped Santa Clara 82-71. Auburn nipped Florida State 63-59. Drake up-

ended Iowa Stat 63-53. Xavier, Ohio, downed Canisius 104-84. George Washington drubbed Centenary 88-69. Arizona State defeated Los Angeles Loyola 62-64. Miami, Fla. rolled over Rollins 127-85 and Washington nipped Oregon 69-67 in two overtimes.

Steve Thomas, the nation's fourth highest scorer, flipped in 42 points for Xavier as the Musketeers set two school records in downing Canisius.

Thomas sank all 16 of his free throw tries for one Xavier record, and Bob Pelkington pulled down 30 rebounds for the other mark.

The game was tied five times early in the first half, but Canisius couldn't keep up with the taller Musketeers who held a halftime lead of 52-40. Tony Gennari was high for Canisius with 35 points.

Four other games involving Ohio teams were played Tuesday night.

Hiram won an Ohio Conference game from Heidelberg, 69-65; Oberlin defeated Allegheny in overtime, 68-65; Defiance's late rally fell short and the Yellowjackets lost to Tri-State (Ind.), 75-73, and Cedarville rolled over Fenn, 93-77.

Hiram's victory was its second in eight games in the Ohio Conference. Heidelberg is 1-6 in loop play.

Salem 9th Graders Win Third In Row, Whip West Branch

Shooting 43 per cent from the field, Salem's vastly improved ninth grade basketball team gained revenge as it whipped West Branch 62-42 in a contest at Junior High gym here Tuesday.

Coach Jack Alexander led his Quakers to their third straight victory and seventh in 12 starts this season.

Earlier in the campaign, the Red and Black dropped a hard-fought 45-40 decision to the Warriors at Beloit.

Yesterday Salem had trouble finding the mark in the first

half. The Quakers fell behind 10-8 in the initial period, but retaliated to take a 19-13 margin by intermission.

The Quakers came alive in the third stanza and were swishing the nets for baskets from all over the floor, while pulling out in front to a comfortable 41-27 lead.

From the field, Salem attempted 54 shots and made 23 for the 43 per cent. At the free-throw line, the Quakers cashed in on 16 of 31 foul shots for 52 per cent.

Lou Markovich took scoring

honors for Salem with 16 points. He also cleared the boards of seven rebounds. John Tolson chalked up 12 markers, and Farb Tinsley finished with 10.

Wilson paced West Branch with 14 points. Wyss netted 10. In its last two contests, Salem's freshmen whipped Alliance State Street for the second time this season 69-42, and blasted United 51-20.

The Salem unit takes on East Liverpool West Thursday and Canfield Friday at Junior High gym here. Both tilts are slated to start at 4 p.m. West trimmed the Quakers 51-43, Jan. 17.

Jones Gets Offer To Fight Patterson In May Or June

By MURRAY ROSE
Associated Press Sports Writer
NEW YORK (AP) — Doug Jones was just looking for a warmup fight when he signed to meet Boston brawler Tom McNeely. Now a \$100,000 purse may be at stake for Jones in the Monday night 10-rounder at the New York Coliseum.

This development arose Tuesday when Jones' manager, Alex Koskowitz, said he received a cable from Swedish promoter Edwin Ahlquist asking if Jones would be interested in fighting former heavyweight champion Floyd Patterson in Stockholm outdoors in May or June.

"Ahlquist told me the fight could draw from \$450,000 to \$550,000 outdoors," said the furrier-manager. "He said if we were interested he would call

me Thursday or Friday. I told him we would like the match very much."

Patterson is very popular in Sweden. Ahlquist, long-time advisor of ex-heavyweight king Ingemar Johansson, promoted Patterson's fight with Italy's Sante Amonti in Stockholm last Jan. 6. Patterson stopped the Italian in the sixth round before a capacity indoor crowd of 11,700.

Jones, who lost a disputed 10-rounder to undefeated Cassius Clay in New York last March 13, is ranked second contender and Patterson is ranked eighth. Twenty-five per cent of an outdoor sellout with Patterson could earn Jones about \$100,000 the biggest payday of his career.

A loss to McNeely, an improved fighter, most likely would knock Jones out of the fight.

500 Golfers Enter Tourney

Nicklaus In Field At Palm Springs

By CHARLES MAHER
Associated Press Sports Writer
PALM SPRINGS, Calif. (AP) —Defending champion Jack Nicklaus and more than 500 other golfers were here today to start the tournament that doesn't know when to quit.

It's the Palm Springs Classic, an event whose format suggests it was conceived by the same guy who originated the trans-Pacific underwater bicycle race.

Actually, it's a very ordinary golf tournament, except that it runs five days and is the only 90-hole event on the PGA tour—and that it is played on four different courses simultaneously—and that it is really 18 tournaments in one.

The nearly 11 dozen professionals entered will compete for about \$100,000 in prize money. Of this, \$10,000 will be distributed Sunday to leading scorers in the 90-hole tournament proper. The winner will get \$7,500.

The rest will be divided up a little at a time, during the 17-part pro-amateur event that runs through Saturday.

In addition, an insurance company promises a \$10,000 bonus to any pro who makes a hole-in-one. Tournament sponsors offered a \$10,000 hole-in-one prize in previous years. But they had to take out a \$50,000 insurance policy to cover themselves and, after a few payoffs, the premium got so high they decided to drop the gimmick.

This is the fifth PGA tournament of the year and winners of three of the previous four are here. They are Art Wall Jr., who won the San Diego open; Tony Lema, winner of the Bing Crosby tournament, and Chi Chi Rodriguez, who won the Lucky Invitational at San Francisco, defeating Don January in a playoff Monday.

Arnold Palmer, who won the first Palm Springs Classic in 1960 and repeated in 1962, is back again. So is Billy Maxwell, the 1961 winner.

Last year, the event went 108 holes, Nicklaus defeating Gary Player in an 18-hole playoff. If there is a tie at the end of 90 holes this year, there will be a sudden death playoff the same day.

Old-Timers To Honor Cincinnati Catcher

CINCINNATI (AP)—Catcher Johnny Edwards of the Cincinnati Reds, who led the National League catchers in fielding last year, will be honored Feb. 8 by Cincinnati's Ballplayers of Yesterday.

Ival Goodman, a former Reds' outfielder, will present Edwards an award declaring him the "National League all-star catcher for 1963." It will be made at the group's annual banquet.

Sports In Brief

Duke Snider holds the record for most home runs hit in World Series games in Ebbets Field, Brooklyn. In 17 series games there he hit seven homers.

The first two World Series home runs hit in Ebbets Field were hit in the 1916 series by Larry Gardner of the Boston Red Sox.

Of the 28 World Series games played in Ebbets Field, Yogi Berra of the Yankees saw action in 20 of them.

The Detroit Tigers set a major league record last summer by playing errorless ball in 12 straight games.

Mighty Man, a Brussels griffon from Rolling Hills, Calif., marked up 11 best-in-show awards during 1963.

Jim Switzer of College of Emporia, Kan., scored 28 touchdowns for 168 points for a small college record last season.

West Chester State of Pennsylvania allowed only 100.8 yards per game during the 1963 football season.

Virginia Tech won its first Southern Conference football title in its history last season.

Brickers, Merchants Post Wins In Slo-Break League

Bricker and Bricker took right up where it left off after capturing the first half championship, and knocked off Aldom's Diner 69-43 in the Memorial Building Tuesday night.

In a close clash, Lisbon Merchants trimmed Industrial Mining 49-45.

Bricker's chalked up its seventh straight victory, while handing Aldom's its seventh

loss in a row.

The winners took a 22-16 lead in the initial period, held a 42-22 margin at intermission and a 57-33 lead at the end of the third session.

John Hirst took scoring honors with 21 points. Bill Crookston chipped in with 16. Carl Yeager led the losers with 16 markers. Don Moulin canned 12 and Vince Citino finished with 10.

Lisbon took a 12-8 lead in the initial frame, increased its margin to 28-18 at intermission and held a 37-29 spread at the end of the third stanza.

It was the second win in seven starts for the Merchants. The Miners are 4-3.

Dale Jeffries connected for 17 points to pace the winners. Mark Headland netted 11. Don Bennett sparked the losers with 17 markers. Don Clarico finished with 11.

Liston Happy During Drill Before Fans

MIAMI BEACH, Fla. (AP)—"Well, nobody can beat me so I guess the people decided to join me."

This was Sonny Liston's reaction when someone remarked at a news conference Tuesday that the sometimes surly heavyweight champion's popularity seemed to be on the rise.

The reporters wondered if it wasn't a case of a "new" Liston deciding to join the people. They had never seen him so jovial and perfectly at ease.

"Why so happy, Sonny?" he was asked. "I got Cassius Clay for Christmas," he laughed.

Liston started his on-site training for the Feb. 25 fight with Clay by staging a 10-round workout before a full house in the 300-seat Sunrise Community Center.

Manager Yogi Berra of the Yankees hit 12 home runs in World Series games. Five of them were hit in Ebbets Field.

our standing in the 1964 pennant race. There are many reasons why our club didn't do better than it did last year and we're going to try to correct some of these mistakes right from the beginning of spring training. We were pretty active during

the off season revamping our Wagner trade with Cleveland. We now have 20 men who were not with us last spring. More changes will be made before we are satisfied with our club.

Two of the new players who should be especially helpful are Barry Latman and Joe Adcock, whom we acquired in the Leon Simpson, we should be able to

combat that strategy more effectively in 1964.

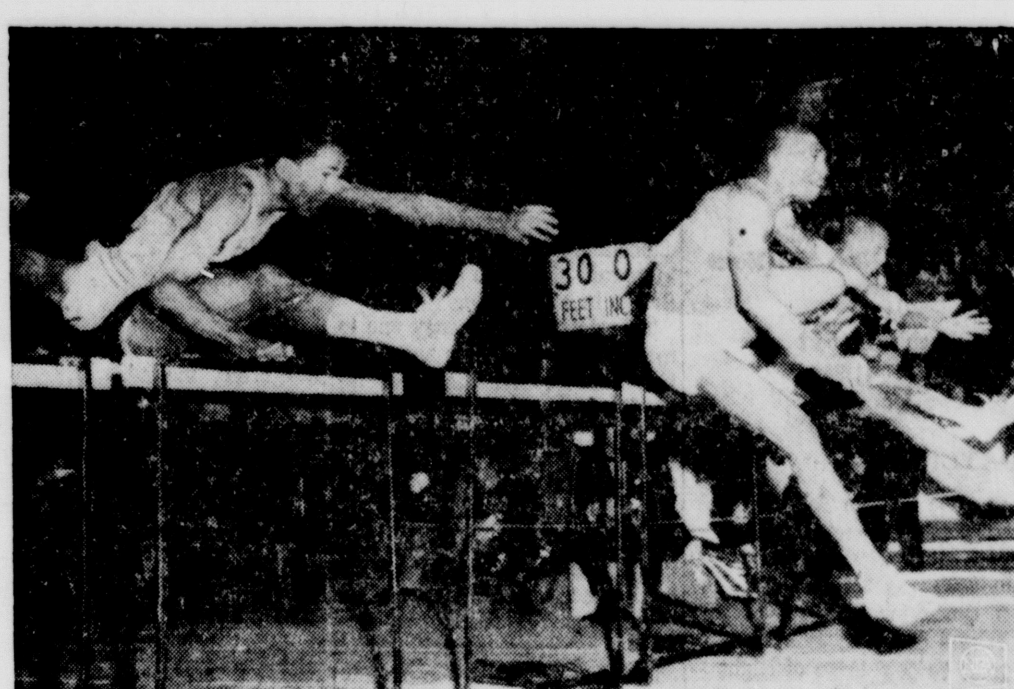

Simpson and Ed Kirkpatrick, a left-handed hitter, are two of our brighter hitting prospects. We have high hopes for them as well as Tom Sarriano, a young left-handed hitting third baseman who can move in back of the plate in an emergency and do a credible job.

We have been very fortunate in coming up with one or two good young players each year we've been in the league. Two years ago it was Bob Rodgers and Dean Chance who joined Ken McBride and Lee Thomas.

Last year it was Jim Fregosi who showed every indication of developing into a complete player. This boy is just 21 and he has shown us that he has the ability and desire to become a star.

Another key development last year was the attaining of stardom by Albie Pearson. This little guy amazes everyone every day with his fine all-around play. He makes plays which bigger men would not approach. I look for him to continue his outstanding play.

One of the biggest disappointments last season was the failure of Thomas to produce the way he had in 1961-62. We're looking for a big comeback from him and there's no reason in the world why he shouldn't. He's young (28) and strong with great determination.

RECORD TIME — Hayes Jones (in dark jersey) of Detroit, Mich., streaks to a new world's record for the men's 50-yard hurdles during events at the Maple Leaf Indoor games in Toronto, Canada. The win also gave him his 50th consecutive victory.

Cake Or Pudding, You'll Like It

By CECILY BROWNSTONE
Associated Press Food Editor
We can't decide whether this interesting recipe produces a cake or a pudding. So at our house, where it is approved, we call it pudding-cake and offer it two ways.

Part of it is served as a cake, sliced as usual. When we serve the rest of it as a pudding, we heat the slices over hot water and pass a pudding sauce with them, or give them a topping of whipped cream.

Bake this dessert ahead because it needs about 12 hours storage before it is served. This stay improves its texture and flavor.

Its texture, by the way, is rather like the popular Scandinavian pudding made with fruit cocktail. Its out-of-the-way flavor comes from combining crushed pineapple with sweet cooking chocolate. The chocolate is cut in small pieces so there's full flavor in every bite.

This dessert is an easy one to make. Dry ingredients are sifted into a bowl, then the other ingredients are added. A quick stir and it's ready to be baked.

PINEAPPLE CHOCOLATE PUDDING-CAKE

- 1 can (1 pound, 4 ounces) crushed pineapple, 2 cups sifted flour, 1 cup sugar, 1/2 teaspoons baking soda, 1/2 teaspoon salt, 1/4 teaspoon cinnamon, 1/4 teaspoon nutmeg, 1 package (4 ounces) sweet cooking chocolate, 1 cup chopped pecans, 2 eggs, slightly beaten, 1-3 cup butter or

margarine, melted. Grease a 9-inch tube pan; line the bottom with waxed paper. Drain pineapple thoroughly; there will be a generous cupful. Reserve cup of the pineapple syrup.

Sift together the flour, sugar, baking soda, salt, cinnamon and nutmeg into a mixing bowl. Stir in the chocolate, pecans and raisins. Add the slightly beaten eggs, drained pineapple, reserved 3/4 cup pineapple syrup and the

melted butter. Stir enough to moisten all the flour. Turn into the prepared tube pan. Bake in a moderate (350 degrees) oven 1 hour and 10 minutes. Place cake in pan on wire rack to cool for 15 minutes. Loosen edges and center with a spatula or small knife; turn out; remove paper. Turn right side up.

Allow to stand on rack until cold. Cover tightly and store 12 hours before serving.

PINEAPPLE COCONUT ICE CREAM

1 (1 pound 4 1/2-ounce) can crushed pineapple, 3/4 cup sugar, 1 tablespoon cornstarch, 2 eggs, 1 cup milk, 1 cup heavy cream, 2 drops lemon extract, 3/4 cup flaked coconut. Set refrigerator for fast freezing. Drain pineapple, reserving 1 cup syrup. Mix sugar and cornstarch; add eggs, milk and 1 cup pineapple syrup; mix well. Cook over medium heat, stirring constantly until smooth and thickened. Cool. Whip cream with lemon flavoring until thick. Fold into cooled mixture. Pour into refrigerator tray and freeze until firm. Put in bowl, and beat until creamy. Fold in pineapple and coconut and return to tray. Freeze firm.

HOT FRUIT PUDDING

4 to 6 Winesap apples 1 1/2 to 2 pounds, 1/4 cup firmly packed light brown sugar 1 can (8 ounces) halved Bartlett pears, drained, 8 maraschino cherries, halved, 2 tablespoons maraschino cherry syrup, 1/2 cup flour, 2-3 cup granulated sugar, dash of salt, 1/4 cup butter or margarine, melted.

Pare and slice apples into a buttered ovenproof glass baking dish (12 by 8 by 2 inches); sprinkle with brown sugar. Top with sliced pear halves, cherries and cherry syrup. Stir together the flour, granulated sugar and salt; with a fork stir in melted butter; sprinkle over fruit.

Bake in a slow (325 degrees) oven 30 to 40 minutes or until apples are tender. Topping will not brown.

Serve warm with whipped cream or vanilla ice cream. Makes 8 servings.

QUICK CAKE

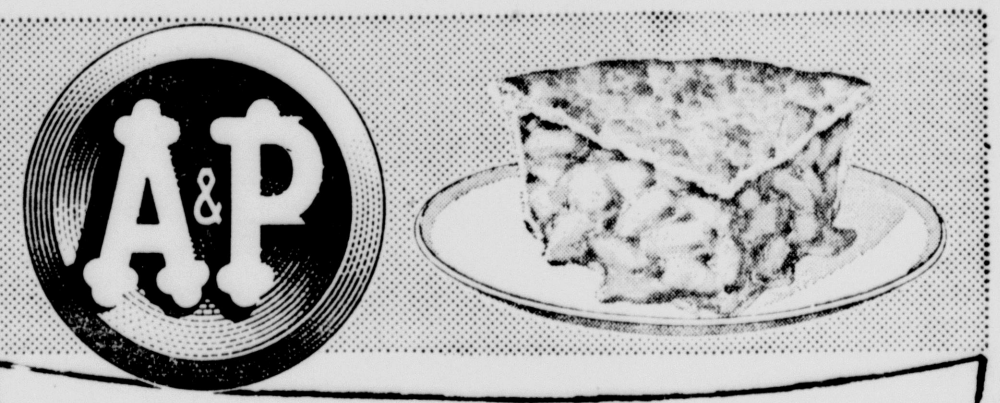

1 1/4 cups sifted cake flour, 2-3 cup sugar, 1 1/2 teaspoons baking powder, 1/4 teaspoon salt, 1/2 cup shortening, 1/2 cup milk, 1/2 teaspoon vanilla, 1 egg. Grease bottom of a baking

Family Culture

By HAL BOYLE
NEW YORK (AP) — As culture must to all mankind, it has come to our family.
"You never take me to a museum," remarked our 10-year-old daughter, Tracy Ann, whose usual enthusiasms are ice skating and trying to unwind the teeth we pay her orthodontist to wire.
"Well, well," I said, stung to the backbone of parental pride. "What museum would you like to see? The Guggenheim?"
"Is that the one where you go up in an elevator and then unwind and unwind and unwind as you go downstairs?"

"Maybe."
"No, thanks."
"Well, how would you like to see the Metropolitan Museum of Art?"
"Is that where the mummy lives?"
"Well, yes, they do have a department of Egyptology there."
"That's the place, replied my daughter. "That's where the mummy lives."
We walked up the grand staircase of the Metropolitan Museum of Art.
"I think the mummies are this way," said Tracy confidently. We went by an array of stone emptinesses, dilapidated

cat goddesses and leering amputees of lost splendor.
Then we got lost ourselves and wandered into the armor area where knights in steel bestrode horses also metal-bordered. Tracy enjoyed this form of humanitarianism.
"Did cats wear armor too then so dogs couldn't bite them?" she joked.
We went down and hit the snack place for a sandwich and a drink. Tracy insisted on waiting outside when I went through the American wing.
When I emerged, she steered me back to the Egyptian area. "That's a mummy in there," said my daughter learnedly. "You know how long he has been in there? He was put in

there before Jesus Christ was born and" — her face wore a look of complete feminine triumph — "he never has got out."
"What do you think of that, Daddy?"
I thought it was a good time to go home. The way I figure culture, you can only take so much of it at a time—in our family.
In and About Our Schools
Study Rocks, Minerals
"Rocks and Minerals" was the program topic when the Salem Junior Garden clubs of

Fourth Street and Prospect Street Schools met recently under sponsorship of the Salem Garden Club. Mrs. Clifford Segesman and Mrs. Charles Corbett are advisers.
Different rocks and mineral matter were displayed and explained to the children who also brought items of interest along this line for display.
Seashells were also discussed and displayed.
Finished products of semi-precious rocks such as a tie bolt and a cameo, were shown. Mrs. Segesman demonstrated how rocks and shells could be used in flower arrangements. Jerusalem Cherry plants given to the club members for culture some time ago were brought

for judging and ribbons awarded as follows: Mrs. Jean Winegard's 4th grade at Prospect-blue, Gary Dean, red, Jon Cibula, yellow, Sharon Schuster and white, Karen Rhodes.
Michael Guappone's 4th grade at 4th Street School-blue; John Mancuso, red; Karen Wilezek, and yellow, Eddie Whitcomb.
Mrs. Bettie Harm's 4th grade at 4th Street School-blue; Mike Lutz, red; Kathy Shasteen, yellow; Kathy Raymond, white; Karen Steves, and Mary Price.
The clubs will meet again Feb. 11 under sponsorship of the Salem Garden Club when the program topic will be "Birds."

Columbiana DeMolay Installation Tonight

COLUMBIANA—John O'Neill, son of Mr. and Mrs. Ralph O'Neill, 215 N. Elm St., will be installed tonight as master councilor of the Roy E. Weaver Chapter, Order of DeMolay.

David Rowland as junior councilor, with Whitfield being presented the R. D. award at the meeting in the Masonic Temple. The public is invited to attend the installation service, and refreshments will be served by the Mothers' Circle.

A FILM ENTITLED, "The Indianapolis 500", was shown at Monday's Kiwanis Inter-Club meeting by program chairman Robert Edwards.

Guests included 9 members of the East Palestine club who were introduced by Lee Myers, past lieutenant-governor, Jack Rance of Salem and Ray Tomes of Leetonia.

Next week's program chairman, George Huk, will present Richard Duff, of Youngstown, who will explain the Friden Flexowriter and its use in education and industry. Guests will be the 17 seniors of Columbiana High School who placed in the annual Ohio Senior Scholarship Tests. Announcements were made and tickets distributed to all members for the Feb. 26 Wally Taber Show to be shown at the Manos Theatre in Columbiana, being sponsored by the Kiwanis Club.

MORRIS KIRK, assistant principal and vocational guidance counselor at Boardman High School, who spent three years with his family in Kenya, North Africa, working for the Federal Government Agency for National Development as headmaster of a rural High School, showed Rotarians colored slides depicting life in equatorial Africa.

Program chairman for the meeting was I. P. Lewis. Visiting Rotarians included Harvey Rickert and Frank Santangelo of Boardman; Harry Carl of Sebring, Howard Thomas of Struthers, and Lewis Kirk, father of the speaker, who was introduced by E. B. Dillon.

Next week's program will feature Joseph Hutta, superintendent of the Manpower Retraining Program at Sheldon Vocational School, Youngstown, which is subsidized by the United States government.

GUESTS OF Mrs. Erma Wilson were her daughter, Mr. and Mrs. William Schriber of Navarre.

Mrs. Ed Robb and daughter,

John O'Neill

Mrs. Lee Grossen of East Palestine and Mrs. Cora Henry called on Mr. and Mrs. George Yarian. Mrs. Yarian, who has been ill, is being cared for at the home of her daughter, Mrs. Glen May of Middle St. The Yarians are from New Waterford.

Mr. and Mrs. Allen Rupert were recent guests of Mr. and Mrs. Ronnie Dicken of Bittersweet Dr.

Recent guests of Mr. and Mrs. Norman Young were Mr. and Mrs. Chalmers Webber of East Fairfield.

MR. AND MRS. JACK ROESLER were guests of Mr. and Mrs. Louis Groubert.

Sandra K. Minamyer and Donald H. Robb were united in marriage before the altar of Zion Lutheran Church Saturday with Pastor Thomas Rehl officiating. Robb is the grandson of Cora Henry and son of Mrs. Nell Henry Robb of East Palestine.

Melvin Nulf was in charge of the mess staff when 232 Scouts attended the annual winter camp at Camp McKinley.

Miss Ethel Esterly is in the Salem City Hospital.

Damascus Mothers Group Outlines School Projects

A word from **THERON** at the **Country Store**

Oh, yes I have something here for only a dime. With each dollar purchase here at the Country Store you can have a ticket good for one toboggan ride at Root 62 Toboggan Slide at Damascus. The regular price is 25¢.

The other day when I went past this place I decided to stop on my way back and look it over. It was very interesting. I wish it was right here behind the Country Store rather than over at Damascus.

The National Observer, a Dow Jones and Company publication, carried a story and pictures of this toboggan slide at Damascus.

Fire Department

Names Officers

NORTH GEORGETOWN—The 18th annual meeting of the North Georgetown Volunteer Fire Department was held Monday night at the firehouse with 20 members present.

Ten fire calls were made in 1963.

The following officers were elected for the coming year:

Charles Hansen, president; John Risbeck, vice president; Lowell Buckman, secretary-treasurer; Chester Mercer and Don Wulrick, new trustees; Hugh McPherson, Fire Chief; Arthur Antram and Kenneth Reichenbach, assistant chiefs; John Woolf, lieutenant; Eugene Reichenbach, captain.

Democratic Club

Installs Officers

Leo Copacia was installed as president of the Junior Democratic Club when that group met recently at the club rooms.

Others installed were: Vice president, William Shoop; secretary-treasurer, James Kleinman; recording secretary, Edward Stifane; sergeant at arms, Stanley Pozeynot; chaplain, Peter Olson, and trustees, Elvin Kirchgessner, John Meiers and William Comer.

The club will sponsor a chicken dinner Saturday at the club with serving from 6 to 8:30 p.m.

The new officers will be chairmen of the event and reservations should be made by Friday evening. Proceeds from the dinner will be donated to the Salem World War II and Korea War Memorial fund.

The next regular meeting of the club will be Feb. 8 at 10:30 a.m.

Fairfield-Waterford

PTO Meeting Set

Mrs. Robert Young, speech and hearing therapist for Fairfield-Waterford School district, will be the guest speaker when members of the Fairfield Parent-Teachers Organization meet Monday at 7:30 p.m. in Fairfield School.

Jack Beilhart, president, will preside at the business session.

CANTON POST FILLED

CANTON, Ohio (AP)—The post of director of the Canton Commission, which has been vacant since its creation by Council several years ago, has been filled with the appointment of the Rev. Herbert Seavers.

The 34-year-old Negro pastor of Turner Chapel Methodist Church was named Tuesday. He will be paid \$6,300.

MAN IS SENTENCED

YOUNGSTOWN, Ohio (AP)—John Richard Dudley, 32, who pleaded guilty to a reduced charge of first-degree manslaughter in the Aug. 4 slaying of Robert Fleming of Girard, was sentenced Tuesday to 1-20 years in Ohio Penitentiary.

CHARGED IN BEATING

SPRINGFIELD, Ohio (AP)—Paul Hamilton, 39, of Springfield has been charged with intent to kill in the hammer beating of his wife and daughter.

Mrs. Hamilton and the couple's 15-year-old daughter, Dorothy, still are in critical condition as a result of the beatings.

GAS LEAK CLAIMS LIFE

SANDUSKY, Ohio (AP)—A 78-year-old woman was in good Samaritan Hospital today, a victim of leaking gas that also killed her husband.

Kathryn Furey was found unconscious and her husband, Paul, 79, was found dead in their gas-filled apartment Tuesday. She is in critical condition.

N. Georgetown Cubs Are Presented Awards

By MRS. DON HOFFMAN

NORTH GEORGETOWN—When Knox Local Cub Scout Pack 102 met Monday at Knox Local School, the opening flag ceremony was conducted by Den 4 boys, Eddy Stryfeler, Roy Sheen, Dick Benner and Keith Roberts.

George Sheen, cubmaster, awarded advancement badges. They were: lion badge, Dick Benner; Webelos, Keith Roberts; wolf badge and gold arrow, Ray Sheen.

Denner stripes were awarded to Ricky Brunner, Steve Sanders, Shawn Nicholson and Eddie Reichenbach; assistant Denner stripes went to Scott Edwards, Lorin Cope, and Kenneth Ross.

Clarence Flitcraft assisted in induction ceremonies when Bruce Wakefield, Steve McLoughlin and Kimberly Romigh were inducted into Pack 02.

The attendance award was won by Kimberly Romigh.

Clarence Flitcraft spoke on the monthly theme which was Safety and Fire Protection. A First Aid Demonstration was put on by the Explorers of Homeworth.

Refreshments were served by Den 1, with Mrs. William Sanders in charge.

Announcements of coming events were made: a tour of Alliance Machine Co., Feb. 3; skating party, 6:30 p.m. Feb. 10 at Louisville rink; Boy Scout week from Feb. 7 to Feb. 13; Blue and Gold banquet, 6:30 p.m. Feb. 24 at Homeworth fire house.

Mrs. Clarence Mercer and Mrs. Allan Ellsworth of Salem recently visited Mrs. Ralph Wang.

James Berger received first and second degree burns when gasoline exploded at his home Monday. He is confined to the Salem Central Clinic.

The condition of Cecil Boone, who suffered a heart attack last Friday, is reported satisfactory. He is a patient at the Central Clinic.

Clayton Hoffman, father of Donald Hoffman, has been admitted to the Central Clinic where he will undergo surgery.

Harold Bandy.

A coverdish dinner was held at noon. In the afternoon, the leader was Mrs. Vera Stackhouse who taught how to braid rugs.

The next meeting will be held Feb. 25 at the home of Mrs. Clarence Motts. The subject will be "Detergents and Synthetics."

A coverdish dinner will be held at noon. In the afternoon a demonstration on making hats and purses will be held.

Fur Remodeling

For a few weeks only you can have your furs remodeled at the lowest prices of the year. No short-cuts will be taken; you will receive the same fine, careful workmanship our furriers are noted for. Cleaning and glazing and new linings are included without extra charge.

Bring in your old fur. Select a jacket, stole, or cape from our new styles which have just come in. It is pointless to wear an outdated fur when it costs so little to have it modernized. Capelets \$45 - Jackets \$55
BEGINS FEBRUARY 1st
